

WARNING IS SENT TO GERMANY OVER PROPOSED ACTION

France Warns Power She Cannot Remain
Disinterested in Event Attempt Made to
Establish Military Nationalist Dictator-
ship in Berlin—Notice is Polite but Firm

PARIS, Nov. 8. (A. P.)—The French government today issued a warning to Germany that it cannot remain a disinterested spectator in the event of any attempt to establish a military nationalist dictatorship in Berlin.

The representations presented thru the French ambassador in the German capital, were couched in diplomatic terms but under the polite forms used in such communications appearing dictators were told to keep their hands off.

France has no intention of interfering with Germany's internal affairs, it was said at the foreign office tonight, but a return of the military party to power in Germany would mean the almost certain repudiation of the treaty of Versailles.

It is believed here that the opposition of the Nationalists to the succeeding German Republic governments has been due to what they regarded as the lukewarmness of these governments in their resistance to the execution of the treaty.

The advent of a military dictatorship in Berlin would make use-

less any more discussion as to the organization of a committee to investigate Germany's capacity to pay the reparations which would probably be absolute repudiation of the reparations debt. Hence, the French government decided upon the warning note not only as being opportune but necessary. It is known that Marshal Foch who is closely watching developments in Germany, has come to the conclusion that a new tide of Pan-Germanism is rising. He has said that there is coming in Germany a nationalist movement comparable with that which followed the downfall of Napoleon, when Prussia was given the post of watchman of the Rhine and that the allies would be stupidly blind if they failed to see and provide for it.

The question has been a subject of discussion among the military advisers to the interallied council of Ambassadors but extreme rumors circulated here to the effect that France is arranging to call out two contingents of troops are declared preposterous in official circles.

U. S. ACTION ON REPARATIONS IS YET UNDECIDED

Hughes and Jussarand
Conversations to
Continue

WASHINGTON, Nov. 8. (A. P.)—Final decision as to whether the United States will find it possible to participate in an expert inquiry into the reparations situation limited to the present capacity of Germany to meet her obligations apparently still awaits completion of conversations between Secretary Hughes and ambassador Jussarand. There were no further developments in relation to the project in Washington today, so far as known. The situation was said authoritatively to be exactly where it was last night when the French ambassador left the state department after his second interview with Mr. Hughes for the purpose of explaining Premier Poincare's attitude.

The embargo upon discussion here by government or diplomatic officials of the exchanges between the secretary and the ambassador was not lifted in any way. It was learned however, that officials expect definite developments any moment.

The general feeling generally placed upon this expectation was that further instructions to the ambassador from his government were necessary before the Washington administration would decide whether it would approve of the calling of a conference restricted as desired by the French premier.

In some quarters where there probably is definite knowledge as to details of the Hughes-Jussarand exchanges it was said that the (Continued on Page Four.)

STATED GOVERNOR OF OKLAHOMA HAS CORRUPTED OFFICE

Secured Appointments for
Friends in Illegal
Way

OKLAHOMA CITY, Okla., Nov. 8. (A. P.)—T. P. Edwards, personal chauffeur of Governor J. C. Walton, drew state salary warrants during the time he was employed by the executive, witnesses for the prosecution testified today at the opening of the Governor's impeachment trial on charges of corruption in office, neglect of duty, incompetence and moral turpitude.

The testimony set out that after Paul Nesbitt, state highway commissioner had refused to place Edwards on the highway department payroll because he thought it would be illegal, Governor Walton obtained from Dr. A. E. Davenport, state health commissioner his agreement to a plan by which the alleged chauffeur drew \$200 a month for five months as an employee of the health department. This was done, it was testified despite the fact that Edwards rendered no service to the health department.

Commissioner's Officers

Later, according to the testimony Edwards and Homer D. Martin, a guard at the governor's residence during the stress of the recent statewide martial law regime, were commissioned as officers in the Oklahoma National Guard upon orders of the executive and drew salaries as such although neither had passed the military examination or subscribed to the required oath.

C. C. Childers, state auditor, the first witness identified warrants issued to Edwards and Martin.

J. C. Mahr, a federal employee attached to the health department, testified he did not know Edwards as being on the health department staff.

Railroad Executives Plan for Expansion

NEW YORK, Nov. 8. (A. P.)—The association of railroad executives and the American Railway Association in joint session at the Yale Club today, laid down a program for expansion based upon predictions that 1924 would equal if not surpass, the record-breaking freight hauling business of 1923.

Both associations adopted a report drawn by the A. R. A., board of directors, announcing that 224 million dollars remained to be spent by roads of the nation in distributing their 1923 appropriations for new locomotives, cars, equipments and repairs.

They also outlined a plan for further stimulation of efficiency along all lines, and for continued mutual cooperation between rail executives and the public to the end that this year's record for high tonnage rapidly transport-

ed—without the usual car shortages, congestion and embargoes—might be equalled under continued industrial prosperity in 1924.

Hale Holden, president of the Chicago, Burlington & Quincy was re-elected chairman of the A. R. A., executive committee. Sir Henry W. Thornton head of the Canadian National Railways was elected to the committee bringing the membership to 36 and J. J. Berner president of the Nickel Plate was chosen to succeed W. L. Ross, former vice-president and receiver of the Clover Leaf Line.

The A. R. A. will elect officers at the April meeting when the association will outline a financial program for the guidance of its 240 member roads for 1924, at the expiration of the \$1,500,000,000 budget for 1923 upon which the roads now are working.

MILITARY NOW IN CHARGE OF ALL BAVARIA

Facisti Leader Over-
throws Bavarian
Government

BULLETIN
PARIS, Nov. 9. (A. P.)—Adolph Hitler's troops have begun an offensive movement toward Berlin, according to despatches to the Paris newspapers from Berlin.

Munich, Nov. 8. (A. P.)—The Bavarian government has been declared overthrown by Adolf Hitler, the Fascist leader and the administration placed in the hands of General Ludendorff, as commander-in-chief.

Dr. Von Kahr, the military dictator in Bavaria had just finished addressing a patriotic manifestation in the Burgerbrau today, when Hitler entered at the head of 600 men. Hitler announced that the government had been overthrown and was replaced by a new government with general Ludendorff as supreme head and Hitler as political adviser.

Former Chief of Police Von Pooner has been named as administrator of the territory and General Von Lossow, minister of war.

After Hitler's declaration his troops drew a cordon around the Burgerbrau. About 10 o'clock tonight troops of the Oberland and Empire flag organizations concentrated on the Burgerbrau and occupied different quarters of the city, chiefly the squares.

Conferees were being held within the Burgerbrau and reports said that General Von Kahr was attempting to negotiate a settlement with Hitler. The attitude of the police and the reichswehr has not yet been disclosed.

Communication cut

Berlin, Nov. 9. (A. P.)—Telephonic communication with Munich was interrupted shortly after midnight. The minister of defense has ordered the suspension of all news from Munich unless corroborated.

General Von Seckt has been appointed commander-in-chief of the national army and given full military authority.

The central government has severed all relations with Bavaria and will withdraw all federal support until constitutional conditions are restored.

Wilhelmstrasse has been given increased military protection.

DISCUSS FURTHER AID FOR VETERANS

CHICAGO, Nov. 8. (A. P.)—Cooperation between labor unions and the Veterans' bureau in placing rehabilitated soldiers in trades was discussed today by officials of the Chicago and Illinois Federations following a meeting yesterday with Michael J. Flynn of Boston, representing the National Veterans Service.

Plans to bring the ex-service men into the various trades unions for supervised training under the qualified workmen were formulated at today's meeting, following which Mr. Flynn moved to Detroit where similar arrangements will be worked out thru the Michigan organizations.

"The labor unions can be of great assistance to the bureau in locating the men in industry after they have completed their training under the government's supervision," Victor Olander, secretary of the Illinois Federation of Labor said.

"The Illinois organizations have a well defined program of cooperation and we believe other state federations will be able to render similar service."

NOTED ETHNOLOGIST DIES IN CALIFORNIA

OKLAND, Cal., Nov. 8. (A. P.)—George Wharton James, of Pasadena, California, widely known as an explorer and ethnologist died today at St. Helena, Calif., after an illness of two days. He had been on a lecture tour.

Mr. James was born in England in 1858. He devoted many years to geological ethnological and archaeological research in California, Nevada, Colorado, Arizona and New Mexico.

Prominent Doctor Expires Suddenly

St. Paul, Minn., Nov. 8. (A. P.)—Dr. Warren A. Dennis, 55, surgeon, died suddenly today after a brief illness of pneumonia. He was secretary of the Western Surgical Association and clinical professor of surgery at the University of Minnesota. During the world war he served as a lieutenant colonel in charge of the surgical service of the 88th division, Base Hospital unit. A widow and six children survive.

Ogden, Kan., Nov. 8. (Holding)

Women at bay from 2 until 4 o'clock this morning, from 8 to 10 hours blew the safe of the Ogden State Bank and escaped with an undetermined amount of cash, liberty bonds and other valuables. Before the robbery all communication wires were cut.

DUTCH TO PREVENT PRINCE'S DEPARTURE

DOORN, Holland, Nov. 8. (A. P.)—It was stated today that the Dutch government in conformity with the understanding it has given for the security of the allies will prevent former Crown Prince Frederick William from going to Germany.

The A. R. A. will elect officers at the April meeting when the association will outline a financial program for the guidance of its 240 member roads for 1924, at the expiration of the \$1,500,000,000 budget for 1923 upon which the roads now are working.

CROP REPORT RETURNS SHOW INCREASES IN MANY ITEMS

WASHINGTON, Nov. 7. (A. P.)—Large crops of corn, potatoes, apples and tobacco have been grown this year, preliminary estimates of production issued today by the department of agriculture showing each to be better than their five year average.

Corn is a three billion bushel crop for the fifth time and at November 1, farm prices, its value exceeds \$2,500,000,000. Production is placed at 3,029,132,000 bushels or about 149,000,000 bushels more than last year's crop. A considerable amount of it is soft and chaffy, however, and the quantity merchantable is estimated by the crop reporting board as 79.4 percent as compared with 85 percent last year. There was considerable frost damage in the central part of the corn belt in New England and in New York and much damage from rains in the west-north central states during the last month.

Potatoes showed much improvement resulting in an increase of 15,298,000 bushels over the forecast in October. Production is estimated at 416,722,000 bushels, which is about 35,000,000 bushels less than last year's crop. The increase for the month was found in New York and Michigan. The quality of the crop is good in the large producing states, except in Michigan where many are hollow, causing severe grading.

The apple crop is 193,855,000 bushels, or about 8,000,000 bushels less than last year.

The commercial crop is placed at 33,522,000 barrels, with Washington and Oregon producing large crops. The size and quality are reported generally good.

Tobacco production showed a decrease from the crop forecast a month ago, with a total of 1,436,738,000 pounds, or 112,000,000 pounds more than produced last year.

It is the fourth largest crop ever grown.

Other crops were estimated as follows:

Wheat 841,737,000 bushels.
Oats 1,302,453,000 bushels.
Barley 139,251,000 bushels.
Rye 64,774,000 bushels.
Buckwheat 14,511,000 bushels.
Potatoes 416,722,000 bushels.
Sweet potatoes 97,429,000 bushels.
Hay 102,914,000 tons.
Tobacco 1,436,738,000 pounds.
Flax seed 19,343,000 bushels.
Peaches 45,555,000 bushels.
Onions 16,694,000 bushels.
Apples 193,855,000 bushels.
Cabbage 821,000 tons.
Broom corn 68,000 tons.
Hops 17,028,000 pounds.
Weight per measured bushel of wheat is 57.4 pounds compared with 57.7 last year and oats 32.1 pounds compared with 32 last year.

Stocks of old corn on farms November 1 are estimated at 83,357,000 bushels compared with 177,287,000 bushels a year ago and 128,763,000 bushels, the five year average.

The price index of all crops on November 1, 21.2 percent more than a year ago and 23.8 percent less than five year average.

The production index is about 0.5 percent less than last year's aggregate production and the same as the average preceding five years, 1917-1921.

The preliminary estimates of production by principal producing states include:

Corn (in thousands of bushels) Indiana 185,300.
Illinois 337,312.
Iowa 424,379.
Wisconsin 81,733.

LONG JOURNEY OF LLOYD GEORGE IS NEARING ITS END

Southampton and London
are Planning Warm
Welcome

LONDON, Nov. 8. (A. P.)—Lloyd George will return to England tomorrow to wind an entirely new political situation and investigating him with far greater political importance and curiosity than he could possibly have foreseen when he started on his American tour. Moreover, it is a situation which may easily give him dominance to which he for a long time has been a complete stranger.

At Southampton, where he lands, and also in London, plans, accordingly are all prepared to give the former prime minister a warm welcome which will accentuate his revived importance in political affairs. It is only a fortnight since Premier Baldwin at Plymouth announced his convictions that the remedy for unemployment was a protective policy, and only a year since Mr. Bonar Law, at a time when unemployment was as bad as, or worse than, it is now, gave a pledge that there should be no change in the country's fiscal policy during the lifetime of the present parliament.

Political Campaigns

Now, although the cabinet includes some free trade ministers, an active political campaign is being conducted all over the country for and against protection and the air is full of rumors of a coming general election to get rid of the inconvenient pledge given by Bonar Law, and so enable the strong protectionist party within the conservative ranks to push their policy.

It is this new situation which gives vast interest to the two personalities, Lloyd George and Churchill, who have been for some time out of the immediate political field.

Protection will be fiercely fought by both liberal and labor parties and both Lloyd George and Mr. Churchill are expected to be found on the free trade side.

PROMINENT DOCTOR EXPIRES SUDDENLY

St. Paul, Minn., Nov. 8. (A. P.)—Dr. Warren A. Dennis, 55, surgeon, died suddenly today after a brief illness of pneumonia. He was secretary of the Western Surgical Association and clinical professor of surgery at the University of Minnesota. During the world war he served as a lieutenant colonel in charge of the surgical service of the 88th division, Base Hospital unit. A widow and six children survive.

Ogden, Kan., Nov. 8. (Holding)

Women at bay from 2 until 4 o'clock this morning, from 8 to 10 hours blew the safe of the Ogden State Bank and escaped with an undetermined amount of cash, liberty bonds and other valuables. Before the robbery all communication wires were cut.

CONSTRUCTION OF BRIDGE AT CAIRO ROAD ASS'N. PLAN

Recommended at Junction of
Ohio and Mississippi
Rivers

CAIRO, Ill., Nov. 8. (A. P.)—Immediate construction of a bridge here at the junction of the Ohio and Mississippi rivers, which would link the highways of Illinois, Missouri and Kentucky and connect the most important north and south highway in the country was urged in resolutions unanimously adopted by the Mississippi Valley Highway association in convention here today.

The association also resolved that the proposed bridge which is regarded as a military necessity as there is not a single vehicle bridge between St. Louis, Louisville and Memphis, be dedicated as a practical memorial to the veterans of the world war.

Legion Endorses

American Legion posts already have endorsed the proposition. The Mississippi Valley Highway stretching from Ely, Minn., to Mobile, Ala., has been virtually completed or provided for in every section except Kentucky and Tennessee, according to speakers, who said that immediate action would be asked of the legislatures of those states.

Egbert A. Smith of Cairo was elected president of the association succeeding Cliff Williams of Meridian, Miss., who resigned because of poor health. Other officers chosen include: H. E. White of St. Paul, Minn., and Cliff Williams of Meridian, Miss., vice presidents; at-large, Herman Englebach, Arenzville, Ill., treasurer; Jake Reingers, Granite City, Ill., secretary; Carl H. Weber, Springfield, Ill., and Carl L. Theiford, Milan, Tenn., promotion officers.

State Officers

State vice-presidents elected were: Minnesota, Dr. Frank Mayo, Rochester; Illinois, Lyman P. Simpson, Carrollton; Kentucky E. Kelly Smith, Louisville; Mississippi, W. L. Morgan, Westport; Louisiana, Dr. J. E. McGrath, Slidell; Tennessee, A. D. Russell, Milan; Alabama, John Chapman, Deer Park.

The convention adjourned this afternoon. Next year's meeting place will be decided upon later.

DIES WHILE ON VISIT TO SON

Springfield, Ill., Nov. 8. (A. P.)—Joseph Straub, 80 years old of Rochester, N. Y., father of Rev. Father Joseph Straub, director of St. John's hospital in this city died tonight while visiting his son. The remains will be sent Saturday to Rochester for burial.

BONDS ARE VOTED

Burlington, Iowa, Nov. 8. (A. P.)—A proposition to vote \$275,000 bonds for an addition to the local high school, was carried today by a majority of 1,064, according to unofficial returns. A second proposition to vote \$75,000 bonds for a school gymnasium won by a majority of 216.

MOTOR BUS IS HIT BY TRAIN SEVERAL DEAD

Driver Says He Did
Not See Train Until
Too Late

ASHLAND, Ky., Nov. 8. (A. P.)—Five persons were instantly killed and one probably fatally injured this afternoon when a motor bus running between Ashland and Ironton, Ohio, was struck at a grade crossing in Russell, Ky., by Chesapeake & Ohio passenger train No. 3.

The train going westbound was twenty minutes late. Eye witnesses said the driver of an automobile tried to signal the bus driver that the train was approaching. The bus driver believed to be dying in a hospital at Ironton, told officials of the bus company that he did not know the train was coming and was already on the track when he saw he was going to be hit. He said he then attempted to drive ahead and get out of the way of the train.

Newspapermen Refused

Undertakers in Russell took charge of the bodies and refused to permit newspapermen to view them. It could not be established who they were, whether men or women, or where they lived.

It was said however, that every person in the bus was killed except the driver.

The bodies were strewn for 200 yards down the track. The motor bus was thrown across the track and against a store building. Several persons who were waiting at the crossing saw the accident.

Russell is four miles from Ashland and directly across the Ohio river from Ironton.

Paul Lansing and wife, said to be from Lexington, Ky., were reported as killed, in a message received by Chesapeake & Ohio officials.

BRITISH THINK THAT GERMANY IS BREAKING

LONDON, Nov. 8. (A. P.)—Germany's negative reply to the French demand for facilities for the interallied control commission to carry on its work in Germany has caused no surprise in British official circles, where the difficulties of the German authorities under present chaotic conditions are fully realized.

It is the British view that neither Chancellor Stresemann's cabinet, nor any other German government could undertake to give the required guarantee for the protection of French officers and soldiers, considering the disturbed and inflamed state of mind of the German people.

Officials here admit that a large part of Germany has not beyond the control of the Berlin authorities and that the cabinet would be unable to prevent the distracted population from taking things into its own hands. The British government will officially support the counsel of ambassadors in any further steps it may take to force compliance with its demands; but inwardly the British government feels it would be futile to try to force protective measures in a country where protection for its own nationals scarcely exists.

NAVY AVIATOR TO JOIN ARCTIC TRIP

WASHINGTON, Nov. 8. (A. P.)—An American naval aviator will participate in an attempt next summer to traverse the Arctic regions by airplane, the navy department announced tonight. Lieutenant Ralph E. Davison will pilot one of the three planes making up the convoy which will be commanded by Captain Road Amundsen, the Norwegian explorer.

Plans do not contemplate a non-stop flight. The expedition will be transported on ships to Spitzbergen in May and an adequate base will be established there. When ice conditions permit the flyers will be carried by ship to a point about 450 miles from the North Pole from which the final "takeoff" will be made.

WEATHER

Illinois—Fair Friday and Saturday; slowly rising temperature.

Temperatures.

The current, maximum and minimum temperatures as recorded Thursday were:

Jacksonville, Ill.	43	47	26
Boston	38	46	42
Pittsburgh	30	39	30
New York	36	41	38

Helena	38	48	26
San Francisco	60	60	52
Winnepeg	42	58	22
Cincinnati	38	4	24

EMERGENCY FLEET CORPORATION MAY CEASE OPERATION

Marine Conference Passes Resolutions Calling Upon Shipping Board and Corporation to Retire from Ship Operation and Place it in Private Hands—Wants Boats Scrapped

NEW YORK, Nov. 8. (A. P.)—The American Marine conference today passed resolutions calling upon the shipping board and the emergency fleet corporation to retire without delay from the business of operating ships and to place the operation in private hands.

Another resolution submitted to the conference by the resolutions committee called for abolition of the shipping board and transfer of its functions and duties to the department of commerce met with considerable opposition and after a lengthy discussion was tabled.

Other resolutions passed by the conference called for:

Immediate scrapping of the shipping board of all vessels of inferior design and construction selling of remaining vessels to American citizens without discrimination; scrapping of the vessels not sold under this plan; and delegation to private hands for operation until either sold or proved impracticable of all those freight and passenger lines which might be considered essential to national interests.

Other resolutions adopted were:

That the rail and ocean transportation media be drawn together and made to function as one transportation system to all parts of the world and that permission be granted American railroads and steamship lines to enter into agreements to divide their joint rates with rates on domestic traffic and traffic with Canada.

That the administration make an earnest effort to amend existing treaties with a view to the establishment of preferential customs duties on goods carried by the American ships and money dues paid by American ships.

Another proposal which called upon American citizens to use American ships whenever possible when going abroad was tabled.

A proposed resolution calling upon congress to take action against ratification of the proposed 12 mile limit treaty with Great Britain was referred to the committee.

The conference also passed a resolution favoring enrollment under suitable regulations of officers and men of the merchant marine in the naval reserve of the United States. It was said the resolution was intended as an endorsement of a bill along similar lines which will be presented to congress this winter.

WORK CONDITIONS ON R. R. CAUSE OF GENERAL WALKOUT

Engineers and Firemen Object to Alleged Conditions

CHICAGO, Nov. 8. (A. P.)—Intolerable working conditions which had remained unadjusted thru nearly a year's negotiations caused the walkout of nearly two-thirds of the engineers and firemen on the Virginian railroad at 6 p. m. today, telegrams from Warren S. Stone and D. B. Robertson, heads of the two brotherhoods to the United States railroad labor board today stated.

The telegram, received by the board late today, stated that the walkout of between 400 and 500 employees was caused by drastic discipline and intolerable conditions forced on them by Vice President Hix.

Labor Board Acts

In a telegram sent both employees and the road last night the labor board assumed jurisdiction of the dispute and cited both parties to appear for a hearing November 14.

Vice President Hix telegraphed the board for permission to employ men to take the place of the striking engineers saying that traffic was being seriously interfered with and that nothing in the citation of last night prohibited him from taking steps to continue movement of trains. It was in this telegram that the board called upon both parties to resume normal conditions until the matter has been taken before an executive session that nothing in the citation of last night prohibited him from taking steps to continue movement of trains. It was in this telegram that the board called upon both parties to resume normal conditions until the matter has been taken before the board and a decision reached.

Mrs. Everett Gibbs accompanied by her mother Mrs. Melvin Murray were Winchester shoppers in the city yesterday.

Veterans Bureau In for Thoro Quizzing

WASHINGTON, Nov. 8. (A. P.)—Members of the senate committee investigating the Veterans Bureau were in conference today with committee counsel studying the organization, policies, system and methods of the bureau in fulfilling its obligations to the disabled Veterans.

In announcing the conference John F. O'Ryan, general counsel for the committee said these matters can best be discussed and studied in an atmosphere free from the distractions of a formal public hearing.

The committee is giving very earnest attention to the development of a complete re-organization bureau. General O'Ryan said, with the hope that the knowledge acquired will aid effectively in providing a proper system for the relief of the disabled with the least delay and the greatest degree of effectiveness.

"I do not believe the committee will permit a hunt for 'graff' to interfere with its study of the other side of the investigation."

"I believe we have clearly developed a picture of extraordinary waste and dishonesty at the expense of both the government and the disabled veteran soldiers. It is important to develop on the part of the public an equal understanding of what is needed to secure for the disabled that which the American people intended and still intend them to have."

TIGHTENING UP ON HOLDERS OF BOOZE PERMITS

Plan Contemplates
Bolstering Up State
Officials

WASHINGTON, Nov. 8. (A. P.)—A new regulation requiring all holders of federal permits to handle liquor to submit them to inspection of state as well as federal officials was announced today by Prohibition Commissioner Haynes. This step to increase the powers of state authorities in prohibition enforcement was suggested by Governor Pinchot of Pennsylvania in his recent correspondence with Secretary Mellon of the treasury. Mr. Mellon saying that the Pennsylvania officers would be given such inspection powers. Instead of limiting the authority to Pennsylvania officers, the new regulation which will become effective Nov. 15, will be given nationwide application.

Operation of Plan

Commissioner Haynes said that under the regulation there would be inserted in all federal permits of breweries, alcohol manufacturers, wholesale dealers, druggists and all other permittees, a stipulation that permits are granted upon the express condition that the business in operation as well as the federal permits may at any time be inspected by sheriffs, policemen or any other state officers as well as federal reserve and prohibition agents.

A THOUGHT

Every man according as he pur-
pose in his heart, so let him
give; not grudgingly, or of ne-
cessity; for God loveth a cheerful
giver.—2 Cor. 9:7.

Posthumous charities are the
very essence of selfishness, when
bequeathed by those who, when
alive, would part with nothing.—
Colton.

After almost everyone had for-
gotten about the Stillman di-
vorce case, it bids fair to become
a salacious news morsel for an-
other period of months. Mr.

Stillman is making an effort for
a rehearing of the case.

If there were not so much
money involved the proceedings
would have long since come to
an end and been wiped from the
court docket.

Postmaster General New is
urging people not to use odd-
sized cards in sending Christmas
greetings. Such cards cannot be
handled through the canceling
machines and, therefore, delay
the mails. It would not be a bad
idea to charge extra postage on
mail that is either too large or
too small to go through a cancel-
ing machine. In lieu of that,
there might be a general rule
that odd sized cards and letters
will be laid aside until after all
other mail is handled. If there is
to be delay at all, the mail that
causes the delay should be the
first to suffer.

Tomorrow has been designated
as homecoming day at Illinois
college, when the football squad
will meet Eureka on the local
field. Graduates and former
students have been cordially in-
vited to visit the college at this
time and the responses indicate a
large gathering. The homecom-
ing idea should not apply only to
those directly connected with the
college. The people generally
are interested in "Old Illinois"
and one way to evidence that in-
terest will be to attend the foot-
ball game and at least by their
presence add to the enthusiasm
of the homecoming. Nothing
puts more pep into a ball team

than a big gallery of friendly
spectators.

A WINDSHIELD
WARNING

In the court room in Cincinnati
where speeders, reckless drivers
and traffic violators are tried,
there hangs a large sign which
carries a warning against the
misuse of automobiles.

On one side, under the head-
ing "Causes," are plainly printed
the words, "Ignorance," "Careless-
ness," "Drunkenness." On the
other side, under "Effects," are
the words "Pain," "Misery,"
"Death." In the center is a space
reserved for recording "Deaths
to Date." The number stood re-
cently at 102. It is changed ev-
ery time a victim is added to the
list.

The driver who is brought in-
to court for having produced one
of those effects has perhaps al-
ready learned his lesson and will
be careful in the future. It is
the fresh crop of careless drivers
who have had narrow escapes,
but whose bad accident is still to
come, who need the warning.
Small copies of that court room
sign might be very useful pasted
on the windshield of every new-
ly purchased car.

LOYALTY

John Trice, a negro student at
Iowa State College, was hurt in a
football game last month and
died two days later. He had
played a wonderful game, so that
most of the attack and defense of
the opposing team were centered
upon him.

Why did he play so hard, invit-
ing the injury that cost him his
life? The answer is given in a
bit of writing found in the boy's
pocket after his death, reading as
follows:

"My thoughts just before the
real college game of my life:

"The honor of my race, family
and self is at stake. Everyone
is expecting me to do big things.
I will. My whole body and soul
are to be thrown recklessly about
the field tomorrow.

Every time the ball is snapped
I will be trying to do more than
my part. On all defensive plays
I must break through the oppo-
nent's line and stop the play in
their territory.

"Beware of mass interference.
Fight low, with your eyes open
and toward the play. Roll back
the interference. Watch out for
cross backs and reverse end runs.
Be on your toes every minute if
you expect to make good."

Reading this eloquent confes-
sion of faith and purpose, who
can say that loyalty and courage,
or any other noble virtues, are
confined to any race or with-
held from any other race? Here
is language which all mankind
can understand.

MASKED DANGER
NEA

Carelessly reaching for her hair
with a hot curling iron, a woman
accidentally sticks the iron into
her eye. It blinds her. Queer ac-
cident? It has happened to five
women in America in the last
few months.

Another odd case: A Swiss
cheese (its holes filled with ac-
cumulated gases) exploded when
it was cut open at a Long Island
fair. A spectator had an eye
severely injured by one of the fly-
ing fragments.

Then there's the case of the
baby who playfully gouged a
man's eye with its thumb. An-
other man's eye was badly cut
by the sharp kicking leg of a
stray grasshopper.

These strange incidents, re-
ported by the National Committee
for the Prevention of Blindness,
are reminders of the uncertainty
of life. Fortunately, the masked
dangers are few and far between.
Nevertheless, the improbable oc-
casionally happens.

It is comparatively easy to
dodge the common dangers of
life. All that's needed is per-
sonal caution, along with a few
of the safety devices with which
man tries to make this a fool-
proof world.

There is cause for surprise
when a Swiss cheese explodes, but
not when a train strikes an auto.

The train rarely leaves the track
to hit any one.

Avery Hopwood, the playwright,
once took a steamer trip up a
Chinese river. His cabin was
shared by a fussy young English-
man who was constantly spraying,
fumigating and disinfecting—us-
ing every known precaution to
dodge Chinese plagues.

Despite all this, the Englishman
contracted smallpox, while the less
careful passengers escaped. How
do you explain? Fate?

MOUND WOMAN'S CLUB
HAS SPECIAL PROGRAM

Report of Federation of Clubs
Given—Fred High Made Inter-
esting Address

The Mound Woman's Country
club met in regular session with
a large attendance yesterday af-
ternoon at the home of Mrs. James
Walker, 512 West College street,
with Mrs. A. H. Doller and Mrs.
V. R. Rieley as assistant hostesses.
The meeting was opened by
prayer led by the chaplain, Mrs.
John Stewart, followed by the
reading of the minutes by the
secretary, Miss Bessie Hopper,
with Mrs. Will Richardson, the
vice president acting as chairman
in the absence of the president,
Mrs. J. J. Vasey.

Mrs. Scott Holmes gave a re-
port of the Round Table, and de-
legates, Mrs. Fred Mawson and Miss
Hopper gave their reports of the
District Federation meeting held
at Roodhouse Oct. 30 and 31. The
following committee was named
to take charge of the children's
contest in July, Mrs. John W.
Clary, Mrs. John Gunn, Mrs. Ray-
mond G. Vasey and Mrs. Winfield
Scott. Mrs. Richardson gave a
very interesting paper on Bible
Teachings in Nature, which was
followed by roll call, the members
responding with quotations from
proverbs.

Fred High who is in the city
consulting with the Chamber of
Commerce various measures in
the interest of Jacksonville was
present and made a splendid talk
on the many worthwhile things
of merit and interest in the local
community, and suggested the gath-
ering of this floating material into
some concrete form that might
become a valuable asset to Jack-
sonville and vicinity. He spoke of
the Morgan county burgoes held
here, having a vital interest to
people in centers where such
things are unknown, and other
items that the person so close
fails to see, because of the fami-
liarity, yet having a special feature
value to some other community.
Mr. High said that if the club de-
cided to undertake something
along this line that he would lend
his assistance and made many
suggestions as to methods. At
the close of the address, the club
voted to put on some essay con-
tests along the lines suggested by
Mr. High and to ask the co-opera-
tion of the Chamber of Com-
merce. The chair appointed the
following committee to outline
details in conference with the
secretary of the Chamber of Com-
merce: Mrs. W. S. Jones, Mrs. A.
H. Doller, Mrs. Raymond G.
Vasey, Mrs. John W. Clary and
Mrs. John T. Gunn. It is the in-
tention of the committee to ar-
range plans at as early a date
as possible and as soon as com-
pleted the final arrangements
will be announced to the public.

MURRAYVILLE WINS
FROM MANCHESTER

The Murrayville and Manches-
ter high school teams engaged in
a game of basketball last night
at the former village which re-
sulted in a score of 21 to 17 in
favor of Murrayville. The teams
were evenly matched and the
game was fast from start to fin-
ish. This is the second time these
teams have met, this season. The
Epworth League rally of Murray-
ville M. E. church will be held
this evening. Special music will
open the program in the church
auditorium, and an address will
be delivered by President Camer-
on Harmon of McKendrick college.
The young people will then ad-
journ to the basement where
music will be furnished by the
orchestra. Refreshments will be
served.

The Murrayville American
Legion is planning to serve an
oyster supper at the Legion hall
Saturday evening.

BIRTHS

Born, to Mr. and Mrs. B. C.
Nelms, a daughter, Margaret
Ainslee Nelms. Mrs. Nelms is a
daughter of Mr. and Mrs. Ensley
Moore.

WITH THE SICK

Mrs. Mamie Roodhouse re-
mains critically ill at Wash-
ington Park hospital in Chicago.
Mrs. Susie Watson a sister, who
has been spending the past two
weeks with Mrs. Roodhouse, re-
ports since returning home.

NOTICE

Regular meeting of Span-
ish War Vets tonight, 7:30.
E. C. Vickery,
Commander.

Mr. and Mrs. A. F. Strandberg
will have for their guests for the
week end Mr. and Mrs. A. L.
Strandberg of St. Louis.

NOVEMBER SPECIALS

GILBERT'S

INTEREST SHOWN IN
SPECIAL SERVICES

Dr. Peters is Heard Nightly by
Large Audience at Central
Christian Church.

Interest continues in the evan-
gelistic services which are in
progress at Central Christian
church, and the attendance in-
creases each night. Tonight Dr.
Peters' sermon will be on the
theme "Living on Bread and
Water."

The subject of the sermon for
last night was "The Romance of
the New Testament." It was a
study of the practical application
of the principles of the New Tes-
tament to the program of the
modern Christian life. The
speaker declared that the real
romance of today is the New Tes-
tament with its portrayal of Christ
and its picture of a redeemed
world.

"The New Testament contains
27 books, most of them short.
But it has four general types of
literature and they have to do
with the Gospel.

"In Matthew, Mark, Luke and
John the Gospel is portrayed. It
took the four-fold message to re-
veal Christ. He is the Messiah of
Matthew, the mighty king of
Mark, the perfect man of Luke,
and the eternal Savior of John.
Matthew deals with the past,
Mark with the present; Luke with
the future; and John with Eter-
nity; but the revealed Jesus was
the same yesterday, and today
and forever.

"The Acts shows how the Gos-
pel was applied in that earlier day.
Jesus told his disciples to begin
in Jerusalem. They did, and bore
witness to him there. On thru
Judea and Samaria they carried
the Gospel to the uttermost parts
of the earth. The Acts gives an
account of the establishment and
development of the church.
Arthur T. Pierson once referred
to this book as the Gospel of the
Holy Spirit.

"The 21 letters of Epistles give
a composite picture of the work
of the church in various commu-
nities. They are of special inter-
est to the church of today for al-
most every conceivable problem
is met in these writings.

"In the Revelation we have a
vision of the Church Triumphant.
There are many things in this
book difficult to understand, but
the one consistent message thrus-
out is that a triumphant church
will finally bring Salvation to the
world. The Bible begins with the
garden. It ends with a City. It
ends with the New Jerusalem de-
scending from God out of Heaven.

"Thus we have in the New Tes-
tament four books telling us who
Jesus is; one book telling us how
to enter the church; 21 telling us
how to live in the church, and one
book telling of the triumphant of
His Church in the world and the
joys of the Eternal Home.

"A reasonable study of this
normal book will solve our prob-
lems, meet our difficulties and
enable us to become proficient in
the work of the Kingdom.

The class studying Evangelism
from 6:45 to 7:25 each evening
had that is worth while in
the lesson and discussion. The
class is taught by Dr. Peters. The
text book is "Evangelism of
Youth" by Dr. Albert H. Gage. A
general invitation is extended to
those desiring the benefit of these
lessons.

NINE CHICKENPOX CASES
IN LYNNVILLE SCHOOL

Nine cases of chickenpox have
broken out among the pupils of
the Lynnville school, according to
report made yesterday by Dr. R.
V. Brokaw, county health officer.
The cases all developed within a
48 hour period, and the sudden
appearance of so many cases clear-
ly points to the fact that 10 days
or two weeks ago there was a
case of the disease in the school
building which escaped observa-
tion.

The health department has
quarantined all the children who
are ill with the disease, including
also a number of children who
have not had the condition and
are therefore susceptible. The
children who have had chickenpox
and are therefore immune, are
allowed to continue in school.
While the outbreak prevents a
number of children from attend-
ing school, there will be no inter-
ruption of the sessions.

The incubation period of chick-
enpox is from 10 to 18 days. The
cases are held in quarantine 10
day from the date of the onset
of the disease, or until all scabs
are separated. The disease is of
a very mild type and none of
the children are seriously ill.
From the standpoint of commu-
nicable disease control the impor-
tant thing is to differentiate
chickenpox from mild smallpox,
which may be more disastrous in
its results.

The health department is keep-
ing in close touch with the situa-
tion by frequent visits to the
school room and the homes.

DEFUNCT FIRM SEEKS
TO COLLECT IN CITY

Scores of Policy Holders in
Morgan County Called Upon
To Pay Back Assessments in
Bloomington Concern.

A number of former policy
holders in the Illinois Auto-
mobile Insurance Exchange of
Bloomington were called togeth-
er yesterday afternoon in the
office of Squire A. B. Opperman.
It appears that there are about
two hundred former policy hold-
ers of the company in Morgan
county, against whom the com-
pany has claims for back assess-
ments.

The company recently went
out of business and is not writ-
ing any more policies. However,
there are numbers of unpaid
claims, and according to the
state law the policy holders who
are in arrears must pay up their
dues, so that these obligations
can be met, at least partially.
H. B. Paul, field agent for the
defunct company, is in the city
seeking to make adjustments
with the former patrons of the
company in this section. The
debts of policy holders range
from \$6 up to \$12.

The company was a mutual
concern, which makes the policy
holders liable for claims against
it. The company followed a
peculiar plan in writing policies,
allowing those who signed up
to continue in the concern six
months without paying an as-
sessment. Naturally, a number
of the company's patrons drop-
ped the policies at the end of
this period and paid nothing. It
is these assessments that the
firm is seeking to collect here,
hoping to be able in this way to
settle its claims. When the firm
failed it had insurance written
in 23 states of the Union, and
collections will now have to be
made over this wide territory.

The firm itself has ceased to
function, and all the money
taken in, except the cost of col-
lection, will go to pay the
claims.

Nothing definite was done at
the meeting here yesterday. The
agent, Mr. Paul, explained the
situation to the dozen or more
men present. It is probable that
if the local policy holders re-
fuse to pay the back assessments
suit will be brought against
some of them, in order to settle
demands.

The failure of the Bloom-
ton concern was due it appears
to the continued dropping out of
policy holders. In this way the
company lost \$400,000 of its
income in one year.

JUNIOR ATHLETICS
DOWN MURRAYVILLE

The Jacksonville Junior Ath-
letic club basketball team de-
feated an independent team at
Murrayville last night by a score
of 9 to 3. This is the second fast
game this team has won this
season, and another game is sched-
uled at the I. S. D. gymnasium in
two weeks.

The lineup for Murrayville con-
sisted of Solomon and Evans, for-
wards; Jones, center; Oschley,
Strang and Tendick, guards. So-
lomon made the one free throw
and Jones the only field goal for
the Independents.

The lineup for the Athletic
club consisted of Riggs and Gallo-
way, forwards; Hopper, center;
and Ryan and Osborne, guards.
The last named was the star point
winner for the locals, making
three field goals and one free
throw. Riggs caged two free
throws.

G. L. Riggs took the Athletics
to Murrayville in his auto.

MADE VISIT TO
DUNCAN HOME

Mrs. William Barr Brown Jr.,
and Mrs. James H. Dauskin had
two very interested guests view-
ing the Duncan Memorial Home
and other historic spots of Jack-
sonville yesterday. Mr. Heron
and Mr. High both expressed
themselves as very much impres-
sioned with the beauty of the
Duncan home and commented
upon the wisdom, patriotism and
foresight that prompted the pur-
chase of the Home. Both gentle-
men were interested in stories of
the early pioneers of Jackson-
ville and the Yale Band, Bryan
and the Educational Society.
The big memorial tablet to

Morgan county boys who fell in
the late war, 64 in all, was also
favorably commented upon. This
is the only evidence of public
recognition of the services of
Morgan county. Mr. Heron re-
marked that Jacksonville had the
most beautiful parks he had
ever seen, and was very lavish
in his praise of Jacksonville for
its beauty, and Mr. High es-
pecially for its historic interest.

Mrs. Spencer Smith of Concord
was a Jacksonville visitor yester-
day.

FORMER RESIDENTS OF WINCHESTER BURIED

Funerals of Dr. J. T. Campbell and Franz Biernbrauer Held Thursday—Other News Notes from Winchester.

Winchester, Nov. 8.—The funeral of Dr. J. T. Campbell was held at the Presbyterian church Thursday morning at 10 o'clock. The auditorium and chapel were filled with relatives and friends of the deceased, showing the high esteem in which he was held in the community.

A quartet including Mrs. W. H. Kinison, Miss Martha Higgins, Paul Stehman and G. W. Owings, with Mrs. M. A. Henderson as accompanist sang "Jesus Lover of My Soul." A fitting tribute and a fervent prayer were then offered by Elder George W. Murray. A duet number was next given by Mrs. Kinison and Miss Higgins, followed by the Scripture lesson and an impressive sermon by Rev. O. W. Lough. J. A. McKee then paid a warm tribute to the memory of the deceased, telling of the beautiful life of Dr. Campbell, a man whose refined Christian character won the hearts of all who knew him.

He was born in Ohio seventy-six years ago and at an early age located at Endsfield, Ill., and later at Milton. Nearly thirty years ago he moved to Winchester, where he purchased the drug store on the north side of the square and was for years one of the leading physicians here. He left Winchester thirteen years ago, going to Ft. Garland, Colo., where he later retired from the practice of medicine.

The service closed with the hymn, "Sometime We'll Understand" by the quartet. The remains were then borne to Winchester cemetery where they were tenderly laid to rest. The services at the grave were in charge of the Odd Fellows, of which organization Dr. Campbell was a member.

The honorary bearers were Dr. James Miner, Judge J. M. Riggs, J. A. McKee, E. E. Watt, Nathan Hamilton and George W. Owings. The active bearers were J. W. Kellom, John Leib, Grant Mader, George Smith, John Coulter and W. H. Kinison.

The flowers were in charge of Mrs. J. C. Neat and Mrs. George Mader. Those from out of town in attendance at the funeral were Dr. and Mrs. E. D. Canatsey, Jacksonville; Mrs. Andrew Prouditt and daughter, Arenzville; Dr. Daws, Milton; M. L.

Test, Petersburg; Oscar Miller and D. M. Prouditt, Ft. Garland, Colo., and Mr. and Mrs. Alonzo Ellis, White Hall.

The Biernbrauer Funeral
Impressive funeral services were held for the late Franz Biernbrauer at 2:30 o'clock Thursday afternoon at the Christian church. The large auditorium and Sunday school room were filled with the relatives and friends of the deceased, who was for years a resident of the community. The services opened with a quartet number, "Lead Kindly Light," sung by Mrs. S. G. Smith, Mrs. Ada Lankford, Miss Lucie Riggs and Miss Martha Higgins, with Miss Ethel McClure as accompanist.

Rev. M. L. Pontius of Jacksonville read the Scripture lesson and offered prayer. A solo, "Jesus Savior Pilot Me" was given by Miss Riggs, after which the obituary sketch was read by Rev. Mr. Pontius, who delivered a very eloquent sermon. The closing hymn was "Sun of My Soul" by the quartet.

There were many beautiful flowers and they were in charge of Mrs. D. T. Smith, Mrs. Gus Strouse, Mrs. Vilroy Baldwin, Mrs. George Bringle, Miss Mamie Watson and Miss May Wells.

The services at the grave were in charge of the Odd Fellows lodge, of which the deceased was a member. The honorary bearers were Paul Burrus, William Cower, P. D. Smith, William Frost, Charles Burdick, P. E. McDonald and Charles Wrote. The active bearers were Chris Munze, George Hieronymous, W. L. Bagshaw, John Hopkins, Harry Kirkman and Albert Hainsforth.

Among those at the funeral from a distance were Mr. and Mrs. John Fox, Mr. and Mrs. John Wyatt, Miss Mamie Watson, Mr. and Mrs. Vilroy Baldwin, Mr. and Mrs. Alonzo Ellis, White Hall; Mr. and Mrs. Harley Groom, Pittsfield; Mrs. Nellie Greathouse, Pittsfield; John Mueller and wife, Springfield; Miss Mary Elizabeth Roark, Jacksonville.

News Notes
Miss Abbie Eddings of Jacksonville, who has been quite ill there, was brought home Thursday afternoon by Miss Maurine Mader. Her friends are hoping for her speedy recovery.

Members of the Eastern Star lodge were invited to Manchester Thursday to attend a regular lodge session there.

The girls of Miss Ethel McClure's Sunday school class at the Christian church entertained their mothers from 6 to 8 o'clock Thursday evening. The girls prepared and served supper which was greatly enjoyed by their guests.

Mrs. T. K. Condit of Beardstown returned Thursday after a visit at the home of Mrs. Charles Condit and family.

DOCKET FOR FIRST WEEK OF CIRCUIT COURT SET

The docket for the first week of the November term of the circuit court set yesterday afternoon at a meeting of Morgan county attorneys. The following is the docket:

RED CROSS ROLL CALL

To the People of Morgan County:

It requires no argument on my part to convince the people of this community that a very serious obligation rests upon all of us in the matter of adequately caring for the disabled American Soldier and his family.

The great majority will readily give without stint. A very few are willing to dismiss their responsibility with the stereotyped phrase "The War is Over." We are very thankful that such is the case in so far as the butchery, pillage and destruction of every imaginable nature is concerned. If we should ask any one of the 371 disabled men in this community whose life has been wrecked as a result of that calamity and who has been helped along his arduous journey through life by your efforts exercised through your agent the Red Cross, he would no doubt tell us that the aftermath of war to him was more deadly than actual hostilities.

Two hundred and ninety nine of these heroes would thank you for the success of your efforts in gaining compensation.

Seventy two of them also render you thanks for the struggle your faithful agent is still waging in their behalf. Let us not forget that the majority of these men fought on the field in France that we might enjoy liberty and pursuit of happiness. They won the fight and the very least we can do is to see that they do not suffer for anything that it is in our power as the most prosperous people in all this world to bestow.

Remember this fact. Every member of the Red Cross participates in the splendid work that this organization has been enabled to do for these disabled heroes. This work, if the traditions and spirit of the American people are maintained must go on. A very little sacrifice is required of us as individuals. Join the Red Cross as part of your home to the disabled American Soldier and his family. I know of no better way to honor the debt his sacrifice has placed upon us.

J. J. Kelly,
Roll Call Director,
Morgan County Chapter
American Red Cross.

SERVICE STAR LEGION MET

The Service Star Legion held a regular meeting yesterday afternoon at the home of Mrs. Mary Turner Carriel on West College avenue. After the opening exercises came a business session. Then Miss Lois Harney, accompanied on the piano by Miss Marie Alexander and on the violin by Mr. Oberholtz gave two solos, "Waters of Minnehaha" by Lieut. Renze and "I Would Wear a Crown for You" by Adams. The company was charmed with these selections and felt very grateful to these musicians for their contribution to the pleasure of the afternoon.

Rev. W. H. Marbach, pastor of State Street church, also had part in the program. "Armistice Day" was his subject and most interestingly did he present it. Armistice Day must not be considered, he said, as a national memorial day. It is international and it should not be memorial only, looking altogether to the past. Something constructive for world peace should be the study of the Service Star legion as well as the American legion.

It was a most helpful and inspiring presentation of the subject. Several members expressed regret at not being able to be present for Rev. Mr. Marbach's addresses are always most helpful and original whatever the subject he may present.

At Westminster Sunday night, Film and sermon upon "The Real Roosevelt."

H. E. SWANSON NOW

POWER PLANT CHIEF
George F. Stoldt who recently resigned as Superintendent of the Light and Power Plant of the city left yesterday for Helena, Montana. Later he will go to Seattle and other western points. He will gradually travel to the coast and expects eventually to locate in California, where at the close of school his family will join him. Miss Stoldt is a member of the student body of Illinois Woman's College.

H. E. Swanson has been appointed the successor of Mr. Stoldt as superintendent of the light and power plant. Mr. Swanson comes to Jacksonville from Rochester, Minn. There he held a similar position and his work was of a very successful kind. The city council believes that Mr. Swanson is fully able to operate the local plant in a way that will tend toward its development. His family is coming to Jacksonville as soon as a house can be secured.

At Westminster Sunday night, Film and sermon upon "The Real Roosevelt."

ATTENTION W. R. C.
Regular meeting of the Women's Relief Corps at 2:30 o'clock this afternoon in American Legion Hall. A full attendance is desired.

WABASH RAILROAD PLANS IMPROVEMENTS

Will Lay New Passing Track Outside City Limits—Paving Work in Prospect

The Wabash Railroad Co., is contemplating some extensive improvements in the local yards at an early date, according to announcement made yesterday by Frank H. Unglaub, the company's freight agent here.

One of the improvements will be the laying of a new passing track of 100 car lengths. This track will be located west of Findley street and thus outside the city limits. The present passing track is of but 70 car lengths and runs from Church street to the tower, and as a consequence traffic is frequently blocked while couplings are being made.

The plans also contemplate two new loading tracks, those tracks being required to handle the increasing traffic resulting from the larger locomotives. One of the new tracks is to be located in the vicinity of the Eli Bridge factory, and both tracks will increase the loading capacity by 81 car lengths.

The west end of the present passing track is to be cut off at West street and will be used as a loading track. Some paving work is also to be done. Lafayette avenue and between North Main and Sandy streets and the drive at the south end of the station being included in this improvement.

Corn Prizes

The Farmers State Bank and Trust Company

Offers the following Corn Prizes:

FOR THREE EARS YELLOW CORN

First, \$5.00; second, \$4.00; third, \$3.00;
fourth, \$2.00; fifth, \$1.00.

FOR THREE EARS WHITE CORN

First, \$5.00; second, \$4.00; third, \$3.00;
fourth, \$2.00; fifth, \$1.00.

All corn entered must have been grown this year within 25 miles of Jacksonville and entered by the grower or a member of his family. It must be picked with the husks on so that it can be hung thereby, as shown in the banks trade mark, and brought to the bank on or before December 10. Prizes will be awarded by corn experts. All corn entered to become property of the bank.

HUMANITY IS BENEFITED AS SCIENCE BARES GLAND SECRETS

W. S. Short, Custodian State Supreme Court Building, Helped by Wife's Advice. Many New Cases Come to Light Show How Pepsin Stimulated Gland Action

"For the benefit of everybody who suffers from a general run down condition of health I want to tell how Pepsin acted on every gland in my body and made me feel many years younger," said W. S. Short, 1231 South Eighth St., Springfield, Ill.

Mr. Short is well known in that city as he has lived there for the past twenty years and is custodian of the State Supreme Court building. Continuing, Mr. Short said:

"There was not a day for more than a year in which I did not have an attack of acute indigestion. Immediately after eating only a few bites of food, gas would form on my stomach. Then I would bloat until I could hardly get my breath.

"My stomach and abdomen were so sore I could hardly bear the pressure of my clothes. About four days out of every week I had a terrible sick headache which no doubt was due to my digestive organs.

"If I took a single bite of pastry or any other rich food the severity of the attacks would be doubled. So you can imagine how carefully I avoided such things to eat. It was a hardship too, for I am a great lover of pie. Made me feel mighty blue

TIGHTENING UP ON HOLDERS OF BOOZE PERMITS

Continued from Page 1.) Refusal of inspection, Mr. Haynes said, would be deemed grounds for citation of permittees for revocation of their licenses.

Rights Confirmed.

"This makes it entirely clear to the country, generally, that all state, county and municipal officers whose duty it is to assist in the enforcement of the prohibition laws, whether federal or state," said the announcement of prohibition headquarters, "will have the full right to make inspection of the places of business and apartments of permittees of the various classes who are authorized to use liquor for medicinal and other non-beverage purposes."

Commissioner Haynes said the new policy was indicative of the "earnest desire of the federal department to co-operate in every way with state and local agencies in the enforcement of prohibition laws, national and state."

U. S. ACTION ON REPARATIONS IS YET UNDECIDED

(Continued from Page 1.) French and American viewpoints still were far apart. The impression prevailed that the advice received yesterday by Ambassador Jusserand from Paris and on which his application of Premier Poincare's attitude was based in his subsequent talk with Mr. Hughes, had not furnished the secretary with the exact understanding of the French limitations that the Washington government feels it must have to guide its action.

Meaning Not Clear.

In other words, it was said, the meaning of "present capacity" as used by the French government in the negotiations between Paris and London is not clear to the Washington government.

Presumably the French foreign office has been asked for further details as to the specific things the proposed committee of experts could or could not inquire into under that language.

Pending completion of the conversations with the French ambassador, Secretary Hughes talked today with officials from the British, Belgian and Italian embassies who called at his office.

TOWN HELD AT BAY WHILE BANK ROBBED

OGDEN, Kans., Nov. 8.—Eight or ten bandits in wild west fashion held this town of 500 inhabitants at bay for two hours early today while blast after blast was set off at the door of the vault in the Ogden State Bank.

Guards stationed outside the bank kept up a heavy fire until their companions inside finally gained access to the vault and looted it.

Then, shouting derisively, the bandit gang shot up the town as they walked to their two motor cars which had been left on the edge of the city. It is believed they escaped north striking the Midland Trail near Keats.

Bank officials estimated the loot at approximately \$25,000. The bandits got approximately \$2,000 in cash and \$24,000 in liberty bonds. Six thousand dollars worth of the bonds were registered. No trace of the bandits had been found tonight.

ALASKA DIVISION A LOGICAL ACTION

SEATTLE, Wash., Nov. 8.—The verdict of voters of the Alaska Pan-Handle Tuesday in favor of separating southeastern Alaska from the rest of the territory with a view to statehood for southeastern Alaska was "perfectly natural and logical," Scott C. Boone, governor of Alaska who is here on his way from Washington, D. C., to Juneau, the capital of the territory declared today.

Governor Boone said that the election had come about largely because the late President Harding had declared here on his return last August from a tour of the Northern territory that southeastern Alaska could look forward to statehood.

"In the expression of the voters," added Governor Boone, "was based on the argument that southeastern Alaska's resources and interests are different from those of other sections."

BRIEFS

Columbus, O., Nov. 8.—Dr. I. W. Maurer, pastor of the First Congregational Church, announced today that he has accepted the presidency of Beloit college, Beloit, Wisc., Nov. 8.

New York, Nov. 8.—Abolition of the U. S. shipping board, and of the emergency fleet corporation to permit private operation of the American mercantile marine was advocated in a resolution adopted early today by the American Marine Congress.

Milwaukee, Wis., Nov. 8.—Mary Toline, 26, formerly of Moline, Ill., was fatally injured by a tree stump which crashed thru the top of her automobile yesterday as she was driving through the National Soldiers' Home grounds.

Springfield, Nov. 8.—Governor Small has given his official approval to an appropriation, made by the last general assembly, of \$750,000 for repairs and improvements on state normal schools at Charleston, Macomb, Normal and Carbondale.

Washington, Nov. 8.—President Coolidge was enrolled today as a member of the American Red Cross for the year 1924.

He paid \$1.00 as dues to Miss Janet Moffett, daughter of Rear Admiral W. A. Moffett and she pinned on his coat the Red Cross button which will be given to all members enrolled during the annual roll call starting Armistice Day.

New York, Nov. 8.—The Illinois Power & Light Co., reports net income after taxes of \$3,860,336 for the 12 months ending September 30, 1923. The balance after charges was \$4,776,872.

Galesburg, Ill., Nov. 8.—Robert Jordan, of Chenoa, Ill., freshman at Lombard college had his hands badly mutilated and burned in an explosion in the chemistry laboratory at the school yesterday afternoon. College authorities stated today that Jordan is not a student in the chemistry department and that he mixed the explosive as a private experiment while the instructors were at chapel. The laboratory was badly damaged by the force of the blast.

Chicago, Nov. 8.—A. A. Johnston, of Chicago, and J. A. Bennett, of Moline, Ill., reported to the police today of being robbed of truck loads of clothing, valued at \$10,000 and \$5,000 respectively, in western suburbs. Johnston said that near Wheaton, late last night, three men stopped him and after blindfolding him drove away with his truck loaded with overcoats. Bennett reported three men held him up in Cicero and drove away with his truck of clothing.

Chicago, Nov. 8.—Senator McDill McCormick of Illinois advocated that a conference of officials be held to adopt means for cutting down state and municipal taxation by the adoption of budget systems in an address today. He pointed to the handling of federal funds under a system of budget control as a result of which, he said there will be a surplus of 200 million dollars in the federal treasury at the end of the fiscal year and urged a like result could be made to follow a systematic handling of state and local money.

CITY AND COUNTY

Misses Catherine Butshaw and Martha Leach of Winchester were among Jacksonville shoppers yesterday.

M. L. Keplinger of Carlville transacted business in the city Thursday.

Mr. and Mrs. Frank Calaway were Chapin callers on the square Thursday.

Mrs. Aldo Hughes, of Burnside, Ill., was in the city yesterday on her way to visit her brother, Ed Chrisman, who lives in Merritt.

HIS OLD SWEETHEART WITNESSES TRIUMPH

ROME—(A. P.)—The consummate of Preadipio, where Premier Mussolini was born, recently acquired the house of his birth and gave it to him. He was present at the ceremony, and the people acclaimed him deliriously.

In the crowd was a woman still unmarried who, years ago said to Mussolini as he wooed her with the impetuosity of youth: "We are both as poor as can be, and if we married we should only bring into the world being equally poor to suffer and want. It is better that we agree to part." "By all means," replied Mussolini, and went his way to become prime minister.

CAMPAIGN STARTED

Chicago, Nov. 8.—Friends and admirers of President Coolidge today launched a campaign in Chicago to swing the Illinois delegates to the Republican National Convention in his favor. A budget was adopted and plans were made for extending the Coolidge campaign for delegates to all sections of the state. Headquarters for the campaign will be opened within a few days if was said.

Emery Shirts

VOLUNTEER PATIENT VICTIM OF SUICIDE

James Fry Drinks Carbolic Acid and Dies at Jacksonville State Hospital—Found Ill in Wabash Park

James Fry, a resident of O'ville vicinity, who has been since June a volunteer patient at Jacksonville State hospital, took his own life about 2 o'clock yesterday afternoon by drinking carbolic acid. This was the decision reached late last night by a coroner's jury, after a post mortem examination had been made of the dead man's stomach.

Early yesterday afternoon Thomas Brennan, baggageman at the Wabash, noticed a man lying in the small park near the Wabash station. He appeared to be in pain. Brennan notified police, who investigated the matter. They found that the man was James Fry and that he was a patient at the hospital. Hospital authorities were notified and took the suffering man to the institution, where he died almost immediately.

Testimony of authorities at the inquest last night was to the effect that Fry came to the hospital last June of his own accord and asked for treatment. He was in a melancholy condition, though he appeared to be only slightly depressed. At noon yesterday he ate his dinner at the hospital. He was not under supervision and came and went as he pleased, being a volunteer patient.

It is believed that Fry went down town after dinner and secured the poison, but it is not known where he went to take it. A bottle of carbolic acid was found in his pocket, and a considerable quantity of the poison was found in his stomach at the post mortem. However, his face and throat showed no evidence of the burning effects of the fluid, evidently because he had diluted it with water.

Coroner Rose's jury consisted of S. L. Sperry, foreman, Roy Craig, B. C. Lair, Otto Beerup, George Belzer and B. M. Lacy.

Fry is survived by one sister, Mrs. Charles White, of this city, and by other relatives living in the vicinity. He also leaves a wife, who has been employed in a hotel at Bluffs.

INSURANCE COMPANY HEAD DIES SUDDENLY

PINEHURST, N. C., Nov. 8.—I. S. D. Sauls, president of the Continental Life Insurance company of Washington, D. C., and president of the Southern Industrial Insurers' conference died here suddenly this afternoon while in attendance upon the 14th annual session of the conference, death being attributed by physicians to heart trouble.

The conference which opened this morning, recessed immediately and tonight will hold a session to adopt resolutions of sympathy after which it will adjourn as a mark of respect to the late president.

Mr. Sauls' formerly was a resident of Goldsboro, N. C., and interment will take place at that city.

RUSSELL & THOMPSON

For The Choicer Diamonds—Mounted and Unmounted

Miss Clara Gustafson from United States Veterans Bureau of Peoria, was in Jacksonville on Thursday, examining bureau claimants, who are in training or who are receiving compensation.

Mrs. James Haggard of Virden was a local visitor Thursday.

SOCIAL EVENTS

Asbury Aid Society

The members of the Asbury Ladies Aid society met yesterday in an all day meeting at the home of Mrs. E. R. Hembrough.

There was a business meeting and the greater part of the day was spent in sewing. At noon the hostess, Mrs. Hembrough served an excellent dinner to the members. There was an unusually good attendance and the meeting was voted a success by all.

Entertained at Mrs. Anders Home

Mrs. Howard Anders entertained the Larkin Club yesterday afternoon at her home on South East street. After the business meeting there was a social, which was much enjoyed by the large number of members present. The next meeting will be held at Mrs. Gardner's.

Entertained Happy Hour Class

The members of the Happy Hour class of the State street

Presbyterian church, met yesterday afternoon at the home of Mrs. Carl E. Robinson, on West North street. The afternoon was spent in making garments for the Presbyterian orphans at Assumption, Ill.

The meeting ended in a very pleasant social hour, at which time Mrs. Robinson was assisted in serving delightful refreshments, by Mrs. Pikes and Miss Tillie Goebel.

Christian Church Aid Met at Literberry

The Ladies' Aid of the Literberry Christian church held its regular meeting yesterday afternoon at the home of Mrs. Howard Litter. During the business session, Mrs. Frank Ogle presided. Eight members and seven visitors were present. The hostess served a delicious luncheon in which she was assisted by Miss Theima Litter and Miss Elizabeth Martin.

The next meeting will be held in December at the home of Mrs.

Frank Ogle with Mrs. Aaron Petefish as assistant hostess.

Miss Mackness Honor Guest at Bridge

A very pretty bridge party was given in honor of Miss Carrie Mackness by Miss Marie Wisewell at her home 1320 West College avenue. The guest list included a limited number of Miss Mackness' friends. Miss Gertrude Huett, of Tacoma, Wash., a house guest of Miss Eleanor Masters, was an out of town guest.

Entertained Bridge Club

Mrs. Donald Butler was hostess to the bridge club yesterday afternoon at which time the members decided to play every two weeks. This was the first meeting of the fall.

Ebenezer Society at Bridgeman Home

The Woman's Foreign Missionary society of Ebenezer church held its regular meeting yesterday afternoon at the home of Mrs. S. N. Bridgeman and daughter on West Lafayette avenue. There was a good attendance. The meeting opened with a song and devotionals led by Mrs. Emma Cully. Following the roll call and minutes, the meeting was turned over to Mrs. Walter Patton, program leader for the af-

ternoon. Following is the program: Instrumental music, Miss Ruby Dewese.

First Chapter of Textbook—Miss Ella Blackburn.

Reading—Miss Pearl Dewese.

Reading—Miss Edna Bracwell.

The mystery box was conducted by Mrs. Carl Martin.

Following the program, the hostess served refreshments and those present enjoyed a social hour. Assistant hostesses were Mrs. T. B. Fozzard and Mrs. Charles Mason.

Brooklyn Ladies Plan Weiner Roast

Tonight the Ladies' Aid of Brooklyn church will give a weiner roast at the home of Mrs. J. W. Henley, 847 Routt street. A good time is being looked forward to as the meeting is to be enjoyed by the Aid members' families, as well as by the Aid. Should the weather prove uninviting for outdoor festivities, the party will be held indoors. During the evening a program of readings and music will be rendered.

State Street Men Hold Oyster Supper

The men of State Street church enjoyed an oyster supper in the church dining room last evening with a good attendance. Following the supper, Prof. A. K. Rife

of Illinois college gave the men a lecture on "The Rule of Life." The rule is quite familiar with the southern island, as he lived there a number of years.

The supper was in charge of a committee consisting of Carl Robinson, Carl Gordon and John Sibert. Kitchen police were Edward Dunlap, L. O. Vaught and C. A. Johnson.

I. W. C. ALUMNAE MET

The alumnae association of Illinois Woman's College held its regular monthly tea at the home of Mrs. Fred Hopper on West North street, with Mrs. Tillman Stout, Mrs. Basil Sorrells, Misses Stout and Lena Hopper, as assistant hostesses. The afternoon was very pleasantly spent in social discourse. The next meeting will be held at the Illinois Woman's College with the faculty members as hostesses.

Brooklyn Aid Held Meeting

The Brooklyn Ladies Aid met at the home of Mrs. J. W. Wright on South Clay avenue Thursday afternoon to sew for Passavant hospital. Plans were completed for the chicken dinner to be held on December 4th. The committees appointed are as follows: Chicken, Mrs. Beattall, Mrs. Belzer, Mrs. Weigand, Mrs. Curtis; mashed potatoes, Mrs. Walters, Mrs. Sargent, Mrs. Boruff; cabbage, salad and celery, Mrs. Whitlock, Mrs. Sheppard; cranberries, Mrs. Sanders, Mrs. Wilkinson; coffee, Mrs. Wright and Mrs. Crabbe; ice cream, Mrs. Henley, Mrs. Bond, Mrs. Gehring; bread and butter, Mrs. Sheppard, Mrs. Sargent, and Mrs. Belzer; dining room, Mrs. Gaston and Miss Marie Goheen. After the business session a short program was given: Song by the Aid, reading by Mrs. Jefferson and song by Miss Nell Self. In the contest, Mrs. G. W. Randle won the prize for writing in ten minutes the most inventions since our grandmother's time.

DEATHS

Carroll

Michael Carroll, for many years a farmer of the Franklin neighborhood, died at 2:30 o'clock yesterday afternoon at Our Saviour's hospital. Deceased was born at Bunker, Ill., 66 years ago. He is survived by his wife and one son, Martin, at home.

The remains were removed to the O'Donnell undertaking parlors and prepared for burial, and later removed to the family home near Franklin. Funeral services will probably be held Saturday morning from the Church of the Sacred Heart, with interment in Franklin cemetery.

Munis

Mrs. Loudevina Munis, an aged resident of Morgan county, passed away at 8:15 o'clock yesterday morning at the home of her daughter, Mrs. J. M. Lofters, two miles north of the city. She was born in the Isle of Madeira 90 years ago and came to Morgan county 54 years ago, where she has since resided. Her husband, Frank Munis, preceded her in death.

She is survived by one son, John F. Munis, and one daughter, Mrs. J. M. Lofters, both of this community. There are also 12 grandchildren, 14 great grandchildren, and four great great grandchildren. Mrs. Munis was for many years a member of Northminster church, and was highly esteemed by all who knew her.

Funeral services will be held at 2:30 o'clock Saturday afternoon from the Gillham Funeral Home, with interment in Jacksonville cemetery. Friends are requested to omit flowers.

Groves

Samuel William Groves, a veteran of the Civil War passed away at 5:20 o'clock yesterday afternoon at the home of his daughter, Mrs. W. P. Hudson, 335 East Wolcott street. Deceased was born at McConnellsville, Ohio, Nov. 3, 1844. He was married to Nancy E. Grady at Siloam, Ill., on March 11, 1870. When the Civil war broke out Mr. Groves enlisted in Company L, 84th Illinois Volunteer Infantry.

He is survived by the following children: Mrs. W. P. Hudson of this city, Mrs. C. H. Stuller of Meredosia, Mrs. Hillery Konrad of Versailles, and Mrs. Elmer Perry of Chicago; also by one sister, Mrs. M. R. Harris, of Owen, Ill.

The body was removed to the Gillham Funeral Home, where funeral services will be held at 2:30 o'clock Sunday afternoon, with interment in Jacksonville cemetery.

Angelo

Mrs. Minty Hester Angelo passed away at 7:15 o'clock yesterday evening at her home, 319 East Wolcott street. She was born near Franklin on July 11, 1888, a daughter of Samuel and Millie Chaudoin. She was married to Lee Angelo fourteen years ago in Jacksonville. He preceded her in death six years ago.

She is survived by the following children: Ivan, William, Cecile and Maru Angelo, all of this city. She also leaves three brothers, Ezra Chaudoin of Nortonville, Mack Chaudoin of this city, and John Chaudoin of Beardstown, and her mother, Mrs. Millie Chaudoin.

The remains were removed to the Gillham Funeral Home and prepared for burial. Funeral arrangements will be announced later.

"Adventures of Grandpa" laughable 3 act comedy tonight, Marquette Hall, at Franklin.

SUGGESTIONS MADE FOR CHRISTMAS MAIL

Postal Department Tells How Patrons Can Facilitate Delivery of Letters and Packages.

Postmaster Fay has received a communication from the Washington Postal Department with many suggestions and rules for handling the Christmas mails. In order that there be no disappointments regarding Christmas packages, co-operation must be secured thru the mailers in the preparation and presentation of Christmas parcels and other matter to be mailed at the Christmas season.

An observance of the following rules will not only greatly facilitate the work at the offices, but will also insure the Christmas remembrances a safe delivery.

- 1—Prepay postage fully on all matter.
- 2—Address all matter plainly and completely giving street address whenever possible.
- 3—Place sender's name and address in upper left corner of address side.
- 4—Pack articles carefully in strong, durable containers.
- 5—Wrap parcels securely but do not seal them except when bearing a printed label or endorsement reading: "Contents: Merchandise—Fourth Class Mail. Postmaster: This parcel may be opened for postal inspection if necessary." All sealed parcels not so labeled or indorsed are subject to postage at the letter rate.
- 6—Parcels may be marked: "Do Not Open Until Christmas."
- 7—Insure valuable parcels.
- 8—Do not enclose letters with parcels, as doing so would subject entire parcel to letter postage.
- 9—Written Greetings, such as "Merry Christmas," "Happy New Year," "With Best Wishes," and names, numbers or symbols for the purpose of description may be enclosed with fourth class (parcel post) mail.
- 10—Books may bear simple dedicatory inscriptions not of a personal nature. Other written additions subject parcels to letter postage.
- 11—Communications prepaid at the first class rate may be sent with parcels prepaid at the fourth class rate by securely attaching the envelopes containing the let-

ters or other written matter to outside of parcels.

Observe the rules and mail Christmas packages early. It is now time to commence. Save the rush at the last minute, December 24, 1923.

Mrs. Melvin Murray and her daughter, Mrs. Everett Gibbs were in the city from Winchester yesterday.

Mrs. Minnie Norfleet was an Alexander shopper here Thursday.

The Aid Society of Clark's Chapel will hold a market Saturday morning, Nov. 10, beginning at 10 o'clock, at Dorwart's Market.

The Largest Purchase of Underwear Ever Made!

The New York Times, on August 17th last, printed the news item below, indicating the huge purchase of 660,000-Union Suits of athletic style, by the J. C. Penney Company for its Spring trade.

Buying MOST We Buy for LESS
Selling MOST We Sell for LESS

A Big Underwear Purchase.
What is believed to be the largest purchase of its kind ever made was put through here yesterday when the J. C. Penney Company, which operates a chain of 475 dry goods stores throughout the country and which has offices at 370 Seventh Avenue, contracted for 660,000 dozen men's nainsook union suits of the athletic style. The goods are meant for sale in the company's stores next Spring and Summer. The purchase involves 660,000 separate garments, but its size, in money, was not given for publication. It is understood that several other large transactions in men's underwear for delivery next Spring are in prospect.

Approve Silk Cho...

The Enormous Requirements of Quality Goods by the 475 Department Stores of the J. C. Penney Co.,

give to this Nation-wide Institution, a purchasing power of tremendous advantage. Leading manufacturers in all lines are eager in their efforts to secure orders of such magnitude. They not only quote lowest possible cash prices but contract to make up the goods under our own specifications as to details of materials, finish and workmanship.

You Benefit Largely.

LEAF RAKING DAY AT COLLEGE YESTERDAY

Freshmen at Illinois college may now appear without their green caps and arm bands, as yesterday was "leaf raking day" at the college, the day when the caps and bands are thrown into the discard. Early in the evening the freshmen began the task of raking the leaves from the campus, members of the senior class supervising the work. Later the leaves were gathered into huge piles and burned and into the bonfires the caps and arms were thrown.

Still later in the evening a get-together meeting was held in the gymnasium and a general good time enjoyed.

W. D. CODY IS SINKING GAS WELL

Yesterday W. D. Cody, who has a lease on one of the O. F. Conklin farms located about 10 miles northeast of the city, began drilling a gas well. This farm is just east of the Harris farm and a location was chosen no far from one of the Irvin wells on the Harris farm.

Mr. Barnett of Kansas is associated with Mr. Cody in this drilling work and it is the intention to put down several wells on the Conklin farm.

FOR SALE

HERE TO INSPECT GAS WELL AREA

Representatives of Illinois Power and Light Corporation Seeking Facts About Local Gas Prospects.

D. M. Workman of Chicago and D. L. Sedgwick of Peoria came to Jacksonville yesterday to inspect the gas field north-east of the city for the Illinois Power and Light Co. They were taken to the wells by E. H. Gray, local representative of the Power and Light Co., and Messrs. Irwin and Pease who are the owners of the wells.

Gauges were used to test both the rock pressure and the volume of the wells, and further inspection work will be done today.

Mr. Workman who has expert knowledge with reference to natural gas, is especially familiar with the Oklahoma field, where his company has owned and operated wells for a period of years. They were nothing secret about the mission of Mr. Workman and Mr. Sedgwick, as the company is simply seeking information relative to the wells and has made it plain it is interested. If the wells show a large amount of gas, available, the company will welcome the opportunity to market it in Jacksonville at rates that will largely increase consumption. However, there are a great many matters which must be taken into account in any such undertaking.

The quantity of the supply must be fairly well settled before it would be advisable either for a pipe line to be constructed or for consumers to put in the new equipment if the gas be used for ordinary heating purposes.

The facts that Mr. Workman secures with reference to the local field will be considered with the log of the wells general data available thru the state geological survey and also in connection with other gas fields in the state.

While Mr. Workman said last night that it was entirely too early to intelligently express an opinion with reference to the wells, but that the showing of both rock pressure and gas is such as to fully warrant investigation. He said further that Mr. Irwin, who has directed the drilling operations here, has undoubtedly had wide experience in other fields and understands gas production. The report that Mr. Workman eventually makes to the company and Mr. Gray will no doubt be made public at some later time.

HORSE BADLY CUT IN TRIPLE COLLISION

Animal Belonging to Winchester Man in Hospital After Mix-Up With Two Cars—Occupants of Autos Not Known.

A white horse belonging to R. M. Wills of Winchester is in Dr. Scott's hospital here as the result of being badly cut up in a three cornered collision yesterday afternoon at the corner of South Diamond street and Michigan avenue.

Mr. Wills was driving his team of white horses south on Diamond street on his way home. As he reached the corner of Michigan avenue, a car coming from the east and another coming from the south collided with his team and wagon and with each other.

The names of the occupants of the cars were not learned. The car coming from the south was badly damaged in the smash. Its passengers and driver abandoned it and disappeared. The other car belonged to Winchester and was taken home by friends of the occupants.

One of Mr. Wills' horses escaped uninjured, but the other was severely cut. It has been placed in the veterinary hospital, where it must remain for several weeks.

TELLS PYTHIANS ABOUT ALASKA

The Favorite Knights of Pythians No. 374 held a very interesting session last night at their hall with a large attendance of near 175 members.

Eight new applications were received, and arrangements made at the business session to take in a class of 26 on Dec. 6. At the conclusion of the business session Rev. Walter E. Spooner introduced William N. Hargrove who talked about Alaska, reviewing his recent summer spent in the far north. His address was very much enjoyed by his audience.

GUESTS OF RELATIVES

Mr. and Mrs. I. H. Baker of Topeka, Kansas, have arrived in the city for an extended visit at the home of Mrs. Baker's mother, Mrs. Nellie Hopper, on Fayette street. Basil Kehoe of Barberton, Ohio, is also a guest of his grandmother at the same residence. Mr. Kehoe is enroute to his home after a business trip to Tulsa, Okla. All three of the visitors are quite well known in Jacksonville.

CAN SHOOT QUAIL TOMORROW

Many Morgan county sportsmen are looking forward anxiously to tomorrow, the first legal day for the hunting of quail. The number of hunting licenses issued by County Clerk Riggs and City Clerk Scott indicates that there will be scores of men with dogs and guns scattered about the county on the first day. The season is said to have been favorable for quail.

REV. W. S. PHILLIPS DIES AT CARLINVILLE

Well Known M. E. Minister Answers Final Summons After Brief Illness—Funeral Here Sunday

Many Morgan county people heard with sincere regret yesterday of the death of Rev. W. S. Phillips at his home in Carlville. For many years Rev. Mr. Phillips was resident here and he was still counted a local resident.

Death came after only a few days' illness. Last week Mr. Phillips developed a disease of the gall bladder and he was in serious condition for two or three days. Then pneumonia developed and was the direct cause of his death.

The funeral services will be held at the Methodist church in Carlville Saturday morning at 10 o'clock. Later the remains will be brought to Jacksonville and services held at Centenary church at 2:30 o'clock Sunday afternoon. Interment will be in Diamond Grove cemetery.

Mr. Phillips was a son of Dr. Franklin William Phillips and Lucy Jane Phillips, his father having for years been prominent as a minister of the Illinois conference and later for a long period superintendent of the Illinois School for the Blind.

The early family home was in Kentucky but when W. S. Phillips was still a child Illinois became their place of residence. In 1888 W. S. Phillips succeeded his father as the superintendent of the School for the Blind, and five years later entered the ministry. Prior to that time he had been actively interested in Sunday school work and had pronounced as a singer in religious gatherings.

While resident here he was a prominent figure in musical circles and often sang at public gatherings and on concert programs. This interest in music continued thru the years and served as an aid in his ministerial work. At the annual conferences for many years W. S. Phillips has always been the leader of the mass singing.

From 1901 to 1906 Mr. Phillips served as assistant superintendent of the State Reformatory at Pontiac, and exerted a strong influence upon the boys in that institution. For a number of years he was the pastor of the West Jacksonville circuit and was transferred from that appointment to Cerro Gordo, where he remained for a number of years. In 1917 he was appointed to the pastorate of the Carlville church, where he continued in the work until so suddenly called to his final reward.

In 1884 Mr. Phillips was married to Miss Mary Caroline Wood, daughter of the late Rev. and Mrs. Preston Wood. He is a graduate of the Jacksonville high school and Illinois college and holds the degree of master of arts from the latter institution.

He is survived by his wife and four sons: William P. Phillips of Chicago; Frank Phillips, dean of the faculty of Monmouth college; Rev. John Phillips of Manchester, N. H., and Wood Phillips of this city.

A man of especially genial spirit, Mr. Phillips made friends and kept them thru the years. He was generous and broad-minded, these characteristics giving him influence and friendships beyond the immediate church circle. All thru the years he maintained an unusual calmness of spirit and he faced the changes that come from day to day and year to year with equanimity. A man of deep religious convictions and of sincere interest in his fellow man, he spent his years in useful work.

As indicated above the funeral party will come from Carlville to Jacksonville, where services will be held at Centenary church at 2:30 o'clock Sunday afternoon.

WANT BOOKLETS ABOUT JACKSONVILLE

The brochure prepared by Fred High about Jacksonville is still being sent for. Yesterday the General Passenger agent of the Wabash R. R. of St. Louis sent to Jacksonville a request for five dozen of the booklets, to send to the president of the Wabash Railroad and other officials. The local agent had sent one to the Passenger agent at St. Louis who in acknowledgement is reported to have declared that whatever is good for Jacksonville is good for the Wabash R. R.

MURRAYVILLE EPWORTH LEAGUE PLANS RALLY

The Murrayville Epworth League is planning a League rally at seven o'clock tonight at the Murrayville M. E. church. Special music has been arranged and refreshments have been planned to be served in the basement of the church where a social will be held after the address of the evening, which will be delivered by Dr. Cameron Harmon, president of McKendree College. The public is invited to both the program and the social.

MORE WORKERS AT LOCAL POST OFFICE

On account of the general increase of receipts from the sale of stamps the Jacksonville Post Office has been granted an additional postal clerk and also an extra carrier. Substituted Phillip Day of West Lafayette avenue has succeeded to the position of postal clerk and substitute carrier Samuel Retter has received the appointment of carrier.

AMERICAN ACE TALKS AT KIWANIS MEETING

Howard C. Knotts of Springfield Tells Clubmen of War Experiences—District Conference at Champaign Announced.

Howard C. Knotts of Springfield, the only downstate American Ace for Illinois during the world war, was the principal speaker yesterday at the meeting of the local Kiwanis club. Mr. Knotts is something of an orator, and he gave a thrilling description of some of his experiences in the air above the German Lines. He was captured by the Germans after his plane had been brought down within the enemy's lines, and underwent considerable hardship as a German prisoner.

Mr. Knotts said, he was in sympathy with Europe in its efforts at reconstruction, but that it should be able to show something tangible along this line. Altho American gifts to European charities have amounted to over \$800,000,000 in the past year and a half her nations continue to increase their standing armies and ask more charity.

Fred High was also one of the speakers at the meeting. Peter Bonansinga was received into membership in the club. The guests included W. T. Harmon, Reaugh Jennings Elmer Henderson, Clarence Segner, John H. Zell, H. M. Andre, J. J. Senecz, Charles Kahl and James H. Fox of St. Louis.

F. H. Farrel, lieutenant governor of the Illinois-Iowa Kiwanis district has received announcement of the district conference to be held at 10 o'clock Saturday morning in the Elks Club at Champaign. Governor Dan Wentworth will make an address on some of the fine points of Kiwanis. There will be discussions of public affairs, inter-city relations, etc.

At noon Saturday the visitors will enjoy a luncheon at the club in Champaign and at 2 o'clock they will attend the Illinois-Wisconsin game in the new university stadium. The middle section of the west side has been reserved for Kiwanians and visitors may secure tickets to the game at the Elks club before noon Saturday. At 4:30 following the game, the visitors will be taken for a sightseeing trip about the university and the cities of Champaign and Urbana.

At 6:30 o'clock Saturday evening a Kiwanis banquet will be served at the Masonic temple in Champaign, at which John Moss of Milwaukee, an international trustee of the organization will be the principal speaker.

A large number of local Kiwanians are expecting to attend the gathering in Champaign and plans are being made to reserve space for a big delegation from this city.

The program at the club meeting here yesterday was in a special observance of Armistice Day. War songs were a part of the program, and a spirit of patriotism prevailed.

SENIOR RECOGNITION DAY AT I. W. C.

At 10 o'clock yesterday morning at the Illinois Woman's college Annual Recognition for the Senior class was observed. The affair was quite a formal observance, the faculty proceeding in full regalia from the social room to the Chapel, taking their places on the platform while Prof. Henry Ward Pearson played the march on the pipe organ. It was an imposing scene as the 28 girls of the class of '24 wearing for the first time, the cap and gown of their rank, filed in between the files of the Sophomore class all arrayed in white, who served as ushers.

Miss Olive Austin, dean of the college, was in charge of the program. A violin solo by Miss Audrey King, a member of the class, followed the recitation of the Apostles Creed in unison, and the singing of the Gloria Patri and the Doxology.

The address of the morning was given by Rev. George W. Raddle who chose as his subject, "The Four Anchors of Life," which he characterized as Wisdom, Faith, Hope and Love. He gave a very helpful talk to the students, congratulating them on their progress thus far, and wishing them Godspeed in their course. The singing of the class hymn, "The Winds of God," concluded the program and the audience left the chapel to the processional of the college hymn, the faculty preceding in the line of march.

ELECTION BOARD HAS CANVASED THE VOTE

The election board constituted by County Clerk Riggs yesterday finished the work of canvassing the returns of the recent election. The official totals are:

For Commissioner
J. E. Osborne—3,656.
John McDonald—2,830.
Osborne's majority—826.
Tuberculosis Sanatorium
Against discontinuance—4,299.
For discontinuance—2,011.
Majority—2,288.
For Justice of the Peace in Jacksonville: J. W. Jackson received 1,281 votes and E. P. Alexander 1,563. C. M. Skinner was elected Justice of the Peace.

Mr. and Mrs. Robert C. Rowe, of Vinton, Ohio, have returned to their home after a visit with Mrs. Rowe's father, J. A. Groves on Mound avenue.

"I" CLUB BANQUET TO BE HELD SATURDAY

Annual Gathering of Those Who Have Won Athletic Honors at Illinois Announced.

One of the attractions for the homecomers at Illinois College tomorrow will be the "I" club banquet at 5 o'clock Saturday evening at the Central Christian church. Invitations have been sent out by President R. I. Dunlap and Secretary John Mitchell 17, inviting, as guests of the College Athletic Association all men to whom the college emblem or letter has been awarded in past years in recognition of their athletic competition.

It may be that some local men who qualify for membership have been missed in sending out the invitations. If so, these men are to consider themselves cordially invited to the banquet and they will confer a favor by calling either R. I. Dunlap or John Mitchell at any time before Saturday noon and expressing their intention of attending.

This meeting is a business session at which various matters pertaining to the athletic activities of the college will be discussed. Honor sweaters will be presented to the members of the 1923 basket ball and base ball teams and to the members of last spring's championship track team.

Engraved athletic certificates will be presented to those men now in college who have been awarded the official letter in any sport.

The annual election of officers will also be held.

Miss Leatha Slagle was a Winchester representative in Jacksonville on Thursday.

ANOTHER BUSY DAY

Yesterday Fred High continued his gathering of data for more Jacksonville publicity. In the morning he visited the big gas field east of the city in company with P. C. Erwin and secured photographs. He also visited the Capps mills, securing more photographs and noting down a history of the foundation of the plant.

At 2:30 o'clock yesterday afternoon, Mr. High held a conference with the local grocers and butchers. Their problems were thoroughly discussed, and a committee was appointed to carry out some of the suggestions made. The committee, consisting of A. R. Taylor, John Z. H. and P. J. Shanahan, will probably visit other cities and investigate the workings of the co-operative delivery system.

Today Mr. High expects to tour the remaining factories of the city, visit the high school and the health school. He will meet Dr. Erokaw, the county health officer in a conference at 9 o'clock this morning.

Mr. and Mrs. C. W. Blohm, of Beardstown, were visitors in Jacksonville on Thursday.

FUNERAL OF ASHLAND RESIDENT IS HELD

Remains of the Late Mrs. Sarah A. Taylor Interred Wednesday Afternoon—Other Ashland News.

The funeral of the late Sarah A. Taylor was held at 2 o'clock Wednesday afternoon at the Prentice church, in charge of Rev. J. A. Biddle, pastor of the Ashland Methodist church. Interment was made in Yatesville cemetery.

The death of Mrs. Taylor came at 6 o'clock Sunday evening November 4, 1923 at her home near Prentice, Illinois, following a lengthy illness. The deceased was aged 66 years. Surviving are

her husband George Taylor and one daughter, Mrs. Ada Hayes. Mr. and Mrs. Bert Ayers and son Arthur were among the visitors Tuesday afternoon from Tailula.

Mrs. Ida Crum was in Springfield Tuesday and spent the day shopping.

C. W. Henderson was a visitor Wednesday afternoon from West Mer.

Charles Mitchel was a visitor Wednesday from Springfield.

Mrs. Henry Awalt and son were here Tuesday and spent the day with friends.

Mrs. Ernest Zirkles of Pleasant Plains was in Tuesday afternoon and visited Mrs. Martha Wallbaum and son Conway.

Word has been received here of the arrival of a 7 1/2 pound son

born Friday Nov. 2 to Mr. and Mrs. Foster Poole in St. Louis, Mo. Mrs. Poole is a daughter of Dr. W. S. Taylor of Ashland.

Mrs. J. J. Wyatt and Miss Lois spent the day Monday in Springfield.

Mrs. Albert Wilson and daughter Barbara have returned to their home in Elizabeth, New Jersey, after a month's sojourn here with her mother, Mrs. Jessie Beggs and other relatives.

P. W. Bast, our editor, was a Springfield visitor Monday.

Mrs. Martha Kootz of Jacksonville is a guest at the home of her brother Charles Bailey and family.

Miss Lottie Beggs left Sunday for Chicago and after a brief stay returned to her work as librarian at LaSalle, Ill.

Tom Savage removed his household goods and family this week into the property recently vacated by Charles Mitchell.

Mr. and Mrs. Henry Renfro drove up from Jacksonville Tuesday afternoon and called on her parents Mr. and Mrs. Charles Holmes.

Miss Gertrude Green assistant telephone operator is enjoying a two weeks vacation.

Dr. A. S. Chapman the new district superintendent drove up from Jacksonville Tuesday and visited with Rev. J. A. Biddle and family and returned Wednesday morning.

Mrs. W. F. McLaughlin, daughter, Miss Helen, Miss Gertrude Blank and Miss Lydia Biddle made a motor trip to Springfield Saturday and spent the day shopping.

Mrs. Racia Kennedy of Jacksonville was an Ashland visitor Saturday afternoon between trains.

William Kennedy was a week end visitor of Jacksonville relatives.

Mrs. Lula McGraugh and Miss Ruth Minters of Springfield spent Sunday with their parents.

Mr. and Mrs. George Douglas came up to Ashland Sunday afternoon from Jacksonville and visited between trains with relatives.

Miss Pearl Shelton was a guest of her parents Mr. and Mrs. Tom Shelton and family Sunday.

Mr. and Mrs. Virgil Mauer of Beardstown spent the day Sunday with her parents Mr. and Mrs. J. C. Votsmier.

J. J. Wyatt spent Saturday and Sunday in Bloomington with his son J. Stuart Wyatt and family.

George Way who has work on the Jacksonville hard roads visited his family a few days this week.

Mrs. Addie Hays was a business caller Monday morning from Prentice.

Mrs. J. A. Biddle was in Jacksonville Saturday to visit her daughter Miss Mary, who is a pupil in the school for the deaf.

THE REFEREE By Albert Apple

Death.

The World War caused the deaths of 11 million people, according to the final figures gathered by the Academy of Moral and Political Science of France.

While the war was going on several times that many were killed by the diseases resulting from normal congestion and other unnatural living conditions of "civilization." Flu alone killed more than the war, in less time.

Light.

The day of the 100 per cent efficiency expert seems to be waning, and Americans are learning to live a little as they go along.

So comments the Wall Street Journal.

It's about time. The sufficiency experts—spurring men on to the last ounce of endurance, and standardizing us like clockwork, canning everything from our food to our thoughts—are destroying humanity at the roots. Real civilization is more than a state of slavery.

Diamonds.

The entire Kimberly diamond fields in South Africa were once owned by Ed Streeter. He mined enough of the precious stones to give him a small fortune. Then he lost confidence and sold the property for \$7500. He thought it was "worked out."

Ed died the other day in London. If he had kept the Kimberly mines he'd have been the world's richest man when he died—worth around a billion dollars. Opportunity knocks often enough. Trouble is, she usually wears a disguise that only a few can penetrate. Super-successes have a sort of intuition or sixth sense.

Queer.

Ships weigh less when going west than east, according to experiments by Professor W. G. Duffield.

Not long ago, Einstein demonstrated that a yardstick is longer when pointed eastward than it turned to the north and south.

Certainly getting to be a complicated world. There seems to be no such thing as exact knowledge. Everything is contradicted, just a matter of time.

Medicine.

Fossils of huge prehistoric animals were discovered in China by American scientists. They're finding it difficult to get permission to bring their finds to America. Chinese law forbids the export, it being the custom over there to grind up old bones and dragon teeth and sell them as medicine.

Well, these concoctions at least are practically harmless. And that's more than can be said for some of the white man's remedies which cure one part of the body by wrecking another.

Dr. M. D. Henderson was in the city yesterday from Franklin.

FRANKLIN RESIDENTS BUY MISSOURI HOTEL

Mr. and Mrs. W. C. Teaney of Franklin recently purchased a twenty-room hotel at Kahokia, Mo., a town of 5,000 inhabitants. Mr. Teaney has already gone to Missouri to take charge of the

new property and Mrs. Teaney will follow in a few days. They formerly conducted a rooming house at Franklin.

Miss Dorothea Sargeant leaves soon for St. Louis, to spend several days with her sister, Mrs. F. W. Reuter.

A son was born Wednesday

evening to Mr. and Mrs. Milton Seymour of Franklin.

Sealed in tins—NEW MOON COFFEE.

Sister Mary's Kitchen

BY SISTER MARY

VEGETABLES
The vegetables of late autumn are preferable to canned summer ones or shipped-out-of-season delicacies. Parsnips and carrots, rutabagas and squash add color and beauty to the dinner table.

You will enjoy serving parsnip fritters and the guests will enjoy eating them.

Carrot straws are almost too good to be true.

Squash croquettes are different but "mummy."

And sweet potato apples will go "right to the spot."

Parsnip Fritters
Six parsnips, 1-2 teaspoon salt, 1-8 teaspoon pepper, 1 teaspoon sugar, 3 tablespoons butter, cracked crumbs, 1 egg.

Boil parsnips in slightly salted boiling water until tender. Plunge into cold water and slip skins. Mash and season with salt, pepper, sugar and butter. Make into small flat cakes. Roll in cracked crumbs, dip in egg slightly beaten with two tablespoons cold water, roll again in crumbs and fry in a spider in butter and bacon fat until a delicate brown.

Carrot Straws
Four medium sized carrots, 4 tablespoons butter, 1-2 cup cream, 1 lemon, 1-2 cup sugar, 2 tablespoons minced fresh mint leaves, 1-2 teaspoon salt, 1 egg.

Wash and scrape carrots. Cut in narrow strips. Drop into boiling salted water and boil 15 minutes. Drain and put in top of double boiler. Add butter, sugar, cream, grated rind and juice of lemon and mint leaves. Cook until soft. Beat egg slightly and stir into mixture as it is removed from hot water.

Squash Croquettes
Cut squash in halves and scrape out seeds. Bake. Scoop out of shell and mash. There should be two cups. Add one cup milk, one teaspoon salt, one teaspoon sugar, two tablespoons butter, two eggs, one cup nut meats coarsely chopped and one-half teaspoon paprika. The eggs should be well beaten. If too moist to handle add fine cracked crumbs and let stand until firm. Shape into balls, roll in cracked crumbs, dip in egg slightly beaten with two tablespoons water, roll again in crumbs and fry in deep hot fat. Drain on brown paper.

Sweet Potato Apples
Six sweet potatoes, 2 tablespoons butter, 1 teaspoon salt, 1-8 teaspoon pepper, 1 cup sugar, 1-2 cup boiling water, 2 tablespoons lemon juice, 2 tablespoons cider or grape juice, 16 cloves.

Wash and cook sweet potatoes until tender. Remove skins and mash with butter, salt and pepper. Cool, form into balls and stick a clove in opposite ends. Melt sugar in an iron spider, and boiling water, lemon juice, cider or grape juice and cook until a smooth sirup is formed. The melted sugar will lump when the water is added, but these lumps will dissolve. Arrange apples in a baking dish, pour over sirup and bake in a moderate oven until the sirup is thick and the apples glazed and a delicate brown. Serve in the baking dish. (Copyright 1923, NEA Service, Inc.)

WOMEN VOTERS TO HOLD A CONFERENCE

Third Annual Convention of Illinois League Will Meet in Chicago Nov. 20 to 23rd.

The Illinois League of Women Voters calls its members to attend the Third Annual Convention November 20th to 23rd inclusive, to be held at the Congress Hotel Chicago.

Too great emphasis cannot be laid upon the importance of this gathering of women who stand for "education of citizens as the safeguard of the Republic." To quote from the November Bulletin: "This convention will consider ways and means whereby the league may serve the women of Illinois and thru them the state of Illinois"—and they will not overlook their service to the nation and the world. Interest thruout the state is sure to be awakened by their adoption of a comprehensive program of work for 1924, for these thoughtful women are fully cognizant of their responsibilities in the coming primary and general elections, which beside defining policies, will place in office president, senator, congressmen, governor, legislators, and county officials.

The spirit of the League of Women Voters, an organization

which "develops the intelligence of the individual voter thru forums, discussions, and broadcasting information on public affairs," is well expressed in the national convention motto: "The most powerful factors in the world today are clear ideas in the minds of energetic men and women of good will."

"It is worth making big sacrifices for, this League of ours," says Mrs. Maud Wood Park, national president, "for it is striving to kindle in the hearts and minds of women the warmth and light and good cheer of conscious kinship in the common weal."

How comprehensive the Illinois League's program of work, is shown by a list of departments and standing committees and the able leaders, who will offer recommendations for the convention to pass upon.

Dept. of Efficiency of Government, Mrs. Florence Bennett Peterson.

Committee on Citizenship Training, Mrs. May Wood-Simons.

Committee on International Cooperation to Prevent War, Miss Mary E. McDowell.

Committee on Child Welfare, Mrs. Edw. W. McCready.

Committee on Uniform Laws Concerning Women, Miss S. P. Breckinridge.

Committee on Living Costs, Mrs. Edw. M. Middleton, V. Chairmen.

Committee on Education, Mrs. Minnie H. Prince.

Committee on Social Hygiene, Dr. Rachel Yarros.

Committee on Women in Industry, Mrs. B. Frank Brown.

Interesting innovations are promised the convention by Mrs. Walter Stebbings, program chairman. Some of these will be announced later, although the surprise for the luncheon hour of the last day is studiously guarded.

A few of the women in public service in Illinois will be heard from at the Thursday afternoon session, among them being Mrs. Harriet Polk, mayor of Colchester and Mrs. Fannie S. Merwin, Mason county superintendent of schools. There are at least 45 women officials in cities and villages of this state, 22 of them being treasurers.

WHITE HALL CITY COUNCIL IN SESSION

Various Matters Taken Up at Regular and Adjourned Sessions of City Council Held This Week—Other White Hall News.

White Hall, Nov. 8.—A regular and an adjourned session of the city council was held this week. In the course of which there appears closer cooperation between Roodhouse and White Hall than has ever before been recorded, growing out of the deal whereby White Hall is now getting a water supply from the Roodhouse municipal reservoir, actual pumping beginning today. The Roodhouse reservoir is full, and will afford an all-winter supply. The dam has been given a thorough rapping on the part of White Hall, in exchange for which Roodhouse gives a water supply to White Hall so long as no contingency arises that would necessitate Roodhouse requiring the supply, as would be the case if their spring supply should become not available. Walter Sheppard, former superintendent of streets at Roodhouse, is in charge of the pumping, he being acceptable to the officials of both cities as a competent and reliable man for the place.

George E. Hill, city treasurer reported a cash balance of \$9,039.02. The levy has been filled with the exception of an item of \$81.64 short in the park fund. The total levy was \$20,779.81, and the amount collected is \$25,155.56, an excess of \$4,375.75 over the levy. This is accounted for in the payment of back taxes.

Resolutions respecting the deaths of both Mr. and Mrs. Seth N. Griswold were read and unanimously adopted and made part of the record. This is the first instance on record of such recognition being given to private citizens, and it was further ordered that proper paintings of Mr. and Mrs. Griswold be obtained for the new library.

It was ordered that one block of West Bridgeport street be given an experimental resurfacing. The binding on this hard

road gave out, leaving it a sad condition for traffic, and it is desired to establish some method of resurfacing and restoring it to an excellent hard road.

City Marshal Tatman made certain recommendations regarding traffic regulations, and this subject will be given a thorough consideration later.

It develops that the members of the council will not give consideration to any future proposal requiring an expensive survey and estimates until it is thoroughly determined that such an outlay is needed.

The cooperation of Edward Vantule in granting right of way over his land for the pipe line from the Roodhouse reservoir, is another matter of high praise, and Mr. Vantule indicates that he is willing to cooperate to even greater extent if the occasion arises.

Telmanyi, one of the world's greatest violinists, Woman's College Artist Series, Monday evening, November 12.

THEY spent many hundreds of dollars every year for plain everyday necessities.

Every family does.

But the point is this:

They spent it at stores that gave them a discount in the form of Eagle Stamps, and for every hundred dollars they spent, Eagle Stamps brought them two dollars in cash or two and a half dollars in merchandise—a clear saving on their purchases.

Every year they accumulated a tidy sum just by saving Eagle Stamps, and the goods they purchased at stores that gave Eagle Stamps was dependable in quality and reasonably priced, which explains why more than a million people in Illinois and Missouri save Eagle Stamps. It pays them, it will pay you.

MEREDOSIA SOCIETY HELD ANNUAL MEETING

Woman's Missionary Society of
St. John's Lutheran Church in
Annual Thank Offering Service
—Other Meredosia News.

Meredosia, Ill., Nov. 7. — The
Woman's Missionary society of St.
John's Lutheran church held their
Thank Offering service at the
church Tuesday evening. The of-
fering during the evening amount-
ed to about \$40. After an inter-
esting program was given those
present were invited to the social
room for a social hour together,
after which refreshments of cof-
fee, chicken sandwiches and cake
were served. The following pro-
gram was given:

Opening hymn—By congrega-
tion.
Music—Lena Sleiving.
Scripture Reading—By Edith
Seiberg.

Prayer—Rev. W. C. Heiden-
reich.
Mission study—Tena Wegchoff.
Piano Duet—Corollista and
Cora Jeannette Kinnett.

The Measure of the Gift—Min-
nie Seiberg.
Har Offering—Emma May.
Grateful Hearts and what they
Have Done—Cora Jeannette
Kinnett, LaVerne and
Allean Unland and Madalene
Schmitt.

Everyday Thanksgiving—Lulu
Unland.
The Thank Offering Box in one
Family—Emma Berger.
Vocal Solo—Velma Laurence.

Missionary News—Mrs. W. C.
Heidenreich.
Conference report—Lena Sleiv-
ing.

Minutes of last meeting.
Roll call.

Remarks—Rev. W. C. Heiden-
reich.

Gathering of Thank Offering.
Announcements.

Closing prayer.

Al Ham of Dallas City is spend-
ing the week with Ruhe Ham
and family.

Mrs. Alice Merries left Wednes-
day for Bluffs and Griggsville,
to visit relatives.

Virgil Beauchamp purchased
the Storage Battery service sta-
tion from Paul Sleiving this week,
and will continue to operate the
same.

Wilbur Hall, an employee of the
C. I. P. S. Co., visited his brother
Harry and wife Wednesday.

Charles James was a business
visitor in Springfield this week.

Miss Nellie Preble of New
Salem visited Miss Hazel Kuhl-
man Wednesday while enroute
home from a visit at Winchester.

Mr. and Mrs. Earl Allen, Ed-
ward Cody, Mr. and Mrs. Henry
Hanners, Mrs. George Christianer
were Jacksonville visitors from
here Wednesday.

Mrs. George Unland visited
Mrs. L. E. Berker in Jacksonville
Tuesday.

A. J. Herrin of Hale, Mo., was a
business visitor here Tuesday.

Mrs. Mary Brockhouse is spend-
ing the week with her son Fred
and family at Jacksonville.

Charles Sheets of Bluffs was a
business visitor here Saturday.

Mrs. J. H. Looman was called
to Versailles Thursday by the
illness of her sister Mrs. W. L.
Heidenreich.

Mrs. Carver of Bluffs were busi-
ness visitors here Wednesday.

Mr. and Mrs. J. N. Peters made
a business trip to Winchester on
Wednesday.

Wallie Duvendack of Chanute,
Aviation Field, Grand Toul, Ill.,
arrived this week for a visit with
his parents Mr. and Mrs. William
Duvendack. He has a 30 day fur-
lough.

Roy Pond of Chapin spent Wed-
nesday here visiting his parents
and while here did some electrical
work for L. F. Berger.

Russell and Albert Skinner and
Glenn Kendrick have rented the
west room of the Kupper building
and will open a restaurant there
next week.

The many friends of Henry Al-
born will be sorry to learn that he
has suffered a relapse from his
recent illness and is again con-
fined to his home.

Miss Nina Pond of Jacksonville
spent Wednesday with her parents
Mr. and Mrs. Frank Pond.

The marriage of Hugo Love-
kamp and Miss Bertha Korsemey-
er took place Wednesday after-
noon at 4 o'clock at the home of
the bride's parents, Mr. and Mrs.
W. F. Korsemeyer living near
McKendree chapel. Rev. H. Vatt-
auer pastor of Lydda Lutheran
church performing the ceremony.

The bride is a young woman of
refinement and possesses many
sterling qualities. The groom is
the son of Mr. and Mrs. Charles
Lovekamp of this vicinity and is
well qualified for a life mate to
the one he has chosen. Both of
the contracting parties are very
popular and have many friends
who join in wishing them pros-
perity and happiness. They will
reside on a farm near Lydda
church.

Harvey Hall was a Bluffs visit-
or Tuesday evening.

HAVE BEEN MARRIED FOR FIFTY YEARS

Mr. and Mrs. George Darley of
South of Franklin Celebrated
Important Anniversary.

Mr. and Mrs. George Darley
celebrated the golden anniversary
of their wedding on Monday,
Nov. 5th at their home south of
Franklin.

All of their children were with
them except Miss Meta, who is in
the Chicago Evangelistic insti-
tute.

In the living room great yellow
chrysanthemums flaunted their
golden beauty while the same
color was obtained in the dining
room by dainty California pop-
pies and tall yellow candles.

A splendid turkey dinner was
served at noon. The favors were
bow-knots of yellow ribbon.

Mr. and Mrs. Darley received
a number of lovely gifts of China
and silver as well as several gold
coins.

Music furnished a part of the
afternoon's enjoyment.

The following were present:
Charles Darley, Misses Mary
Helen and Dawie Darley, Mr.
and Mrs. Finis Seymour and Mr.
and Mrs. Ellis Brainer, who are
the children of Mr. and Mrs. Dar-
ley, also Mr. and Mrs. George
Leake and son Otis, Mr. and Mrs.
Harvey Spire, Mr. and Mrs.
Twidell Deere, Mr. and Mrs.
Wm. Mulligan and son Glenn, Mr.
and Mrs. Perry Cowgur, Mr. and
Mrs. Samuel Darley, Mrs. Eliza-

beth Scott, Mrs. W. D. McCor-
mick, Mrs. Eliza Rawlings and
Miss Rhoda Scott.

VISITOR IN CHAMPAIGN
Miss Eunice Williamson of
the College and Miss Frances
Griswold of Illinois Woman's
college yesterday morning
to spend the week-end in Cham-
paign. They will witness
the football game between Illi-
nois and Wisconsin Universities.

GAMMA DELTA SOCIETY
TO MEET
The Gamma Delta Literary
society of Illinois college will
meet this evening at 7:30 P. M.
Old members are especially in-
vited to be present.

MINISTER BUYS HOME HERE
Rev. H. A. Sherman of Frank-
lin, Ill., has purchased the home
of Mrs. Ida Platt Marshall at
1525 South Main street. The
sale was made by A. I. Hender-
son, real estate broker.

**WONDERFUL ASSORT-
MENT OF COATS SPECIALLY
PRICED WHICH HAS JUST BEEN
PURCHASED BY MR. HERMAN
DURING HIS STAY IN
CHICAGO, FOR STYLE
AND RELIABLE WEARING
QUALITIES THEY CAN-
NOT BE BEAT ANY-
WHERE. 215 EAST STATE
STREET.**

**WHITE HALL TO OBSERVE
ARMISTICE DAY**
White Hall, Nov. 8.—Arrange-
ments for the observance of
Armistice day next Saturday
have been completed. Congress-
man H. T. Rainey will speak in
the Princess theatre at 10
o'clock, and there will be some
special numbers in making up a
patriotic program, including the
presence of the White Hall band.
Dinner will be served in the
banquet room of the First Bap-
tist church. Commander Corsa
decides it would not be the part
of wisdom to attempt a parade
feature at this time. A great
game of football between White
Hall and Greenfield takes place
in the afternoon.

"Susie's Kitchen Cabinet Band
probably will not be taken to
Kane until after the holidays.
Urgency has been given the in-
vitation to Mrs. Mame Winters
to take the production to Kane,
and the subject has been dis-
cussed this week with the above
result. The main drawback is
the present necessity of de-
taching between Carrollton and
Kane that would make the trip
rather discouraging.

J. R. Hanapin of Brown's
Spring, Mo., is very complimen-
tary to the White Hall press ser-
vice in the recent effort to
locate one Mr. Hill in response
to his inquiry. In a letter date
the 6th inst. he says: "I an-
glad to tell you that my inquiry
has brought results. I have
found Mr. Hill's children and
find also that he has been 32nd
16 years. Am very thankful to
you and to the newspapers
whose clippings you so kindly
furnished to me."

REAL ESTATE TRANSFERS

AUCTION
Saturday afternoon at one
o'clock at Strawn's Garage.
The complete furnishings from
a seven room house including
some very antique furniture—
Sofas, Calba Table, very an-
tique: Chest of Drawers; a very
fine Jennie Lynn Bed. All other
furnishings including beds,
stoves and most anything you
have. Owner leaving for Cali-
fornia and we will sell some
very rare bargains. Don't for-
get Strawn's Garage on Satur-
day afternoon at 1 p. m. sharp.

**The very day you start to
use Calumet Baking Powder your
baking expenses reduce.**
The price of Calumet is not the
only reason for its economy—it's
the great leavening strength it pos-
sesses—the unfailing results that
are always experienced when it is
used, that's what counts.

**Never use heaping
spoonfuls when you bake
with Calumet—it isn't necessary
because one spoonful of Calumet
does the work of two of many
other brands.**

**Why should you run
the risk of spoiling your
bakings by using a leavener
that has not proven its
merits—that may mean success
today and failure tomorrow?
Don't experiment—use Calumet.
It makes more bakings—goes
farther and lasts longer. Its su-
perior quality has stood out above
all other baking powders for
many years.**

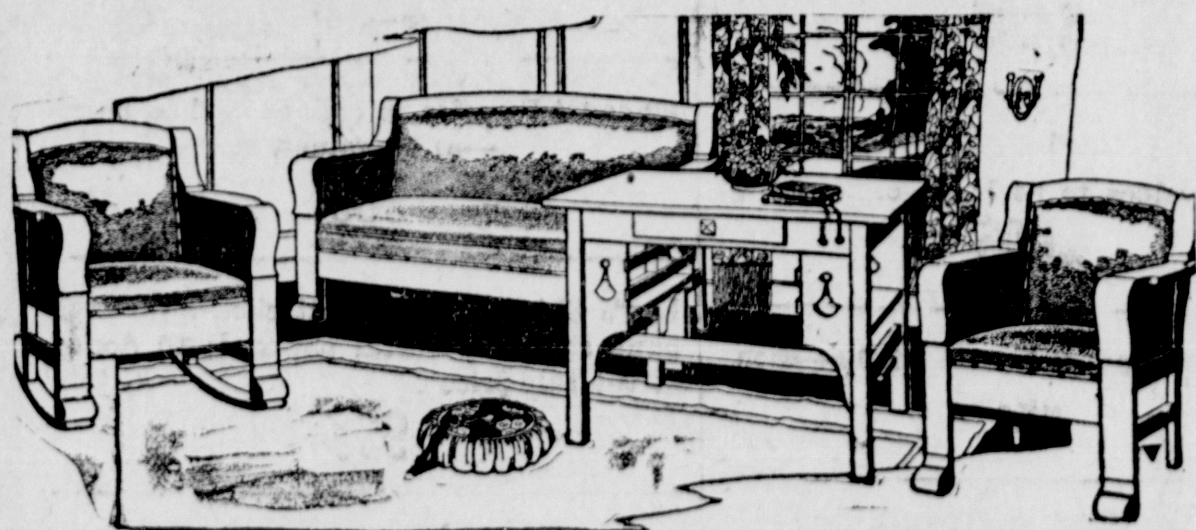

A pound can of Calumet contains full 16
ounces. Some baking powders come in 12
ounce cans instead of 16 ounce cans. Be sure
you get a pound when you want it.

EVERY INGREDIENT USED OFFICIALLY APPROVED
BY U. S. FOOD AUTHORITIES

**Sales 2 1/2 times as much as that
of any other brand**

LATEST NEWS OF THE SPORTING WORLD

GERBER'S LOSS WILL CRIPPLE WISCONSIN

CHICAGO, Nov. 8.—Disqualification of B. C. Gerber, tackle on the University of Wisconsin eleven, overshadowed other news from Western Conference training camps today. Doubt was expressed whether the Badgers could fill the hole left in their line before the important Illinois game Saturday.

Until the University Athletic Council found that the line man had committed a technical violation of the conference rule against using athletic skill for gain, Coach Ryan had banked on having his regular tackle. Whatever the final arrangement of players, whether Miller, Benson or Bieberstein take the place, it will be in the hands of a man relatively inexperienced.

The Illini are perfecting their attack in an effort to bring about a victory and a continued position among the leading championship contenders. With Gerber missing from the Badger line, the Illini are counted as having as good a forward wall as their opponents and Grange in the backfield gives them a decided edge there.

The marines are enroute to Ann Arbor where they meet Michigan Saturday. Secretary Denby with 7,500 "leathernecks" is

scheduled to follow the advance guard of players.

From Iowa City comes the news that Coach Jones has devised a new lineup for his Hawkeye regulars, who meet Minnesota Nov. 7.

Chicago, with the defeated Indiana team to play Saturday, is pointing its nose toward the Wisconsin game of November 24.

The Notre Dame team was enroute to Lincoln, Neb., today, primed for Saturday's contest. The Nebraska team has put in a strenuous week of training. Notre Dame is expected to uncork a forward pass offense.

BALL CLUB OWNERS CALLED TO MEETING

New York, Nov. 8.—John A. Heydler, president of the National League, today issued a call for the annual meeting of club owners to be held at Chicago, December 10, at 2 P. M. This session will be preceded by a meeting of the board of directors.

LAJOIE'S WEAKNESS

Larry Lajoie, now that he is out of baseball, says that a fast ball right thru the heart of the plate was the hardest ball for him to hit. "I liked a ball just outside that I could crack into right field or one on the inside that I could pull down the third base line," says Larry.

HELP WANTED

Fireman, experienced; handy with pipe tools. "J. H. S." care Journal.

Normally we are unemotional and not easily given to grief, but the news that China has no national sport has just about ruined the whole month for us.

The big league ball player who wouldn't sleep in an upper berth all summer has rented a furnished room over Herman Schwartzberg's delicatessen store for the winter.

Have you ever noticed that the lavishly polite young gent who removes his hat in the elevator... invariably has the most gorgeous marcel wave you ever saw?

The Epsom Derby happens to be one of those things we can take with a grain of salt.

Until such time as Mr. Ziegfield is asked to pick them, the "ten greatest women" will mean nothing, or approximately as little, in our gay, festive career.

"The rouge box covers a multitude of sins, as you might say," Col. Hickory Knutt.

The bed in the Mediterranean is sinking... Gracious, we hope someone saves the mattress!

If the stuff gets any worse it may soon be necessary to have a snake bite you in order to get over the drink.

No changes in hockey rules... A swat across the beeper with a long hickory stick will still count for two points.

Homesick polo pony commits suicide... Does beat all how these aristocrats carry on.

Mexican pitcher signs with the Giants... All will go well until he tries to address Muggsy as Senor.

Bluenose fouls U. S. fishing boat... Probably used the kid-nay punch.

REVIEW CELEBRATES

Monmouth, Ill. (A. P.)—Sixty-eight years of continuous publication during which time the paper has been under the guidance of but two editors, is the unique record which the Monmouth Review is celebrating this month.

Hugh R. Moffet, the present editor has had editorial charge of the paper for 37 years and has been connected with the paper for 40 years. Alexander H. Swain who founded the paper 68 years ago is the only other editor the paper has known. He hired Mr. Moffet in November of 1883 to collect locals for the four page weekly he was then conducting. In November, three years later Mr. Moffet, with a partner bought the paper and since that time has been editor, and much of the time its sole owner.

DESERVES TITLE

Babe Ruth certainly was entitled to be selected as the most valuable player in the American League for the 1923 season. Here are just a few of the many feats he performed: Played in every game. Scored 151 runs and made 205 hits for the remarkable average of .394. Received 171 bases on balls. In every game he played he reached first base just a fraction under three times. In scoring runs, hitting homers and receiving passes Babe led his league.

SPEED MERCHANTS

Frankie Frisch is the fastest runner in the National League. Maurice Archdeacon the fleetest man in the American.

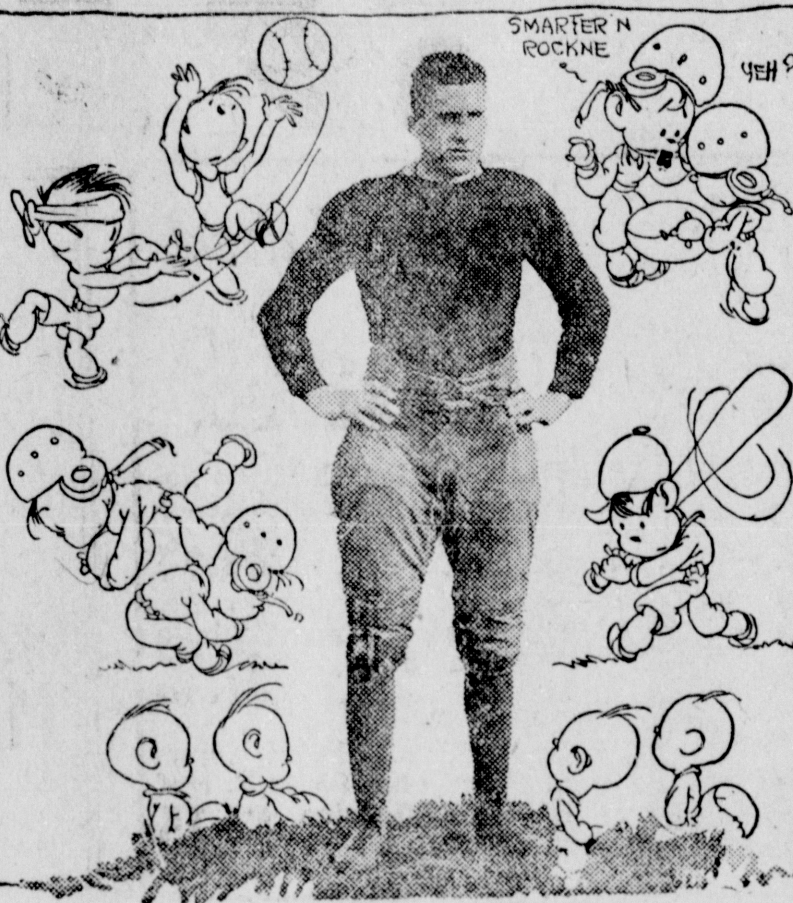

NOW AN UMP

Tommy O'Toole, who 15 years ago was a contender for the featherweight title, is now umpiring semi-pro games in the vicinity of Philadelphia.

NOTICE!

Because of the installation of new fixtures we will be closed a few days. BATZ CAFE

Notre Dame Gets 'Em Young--Then Treats 'Em Kind

System is the keynote of Notre Dame's success on the gridiron. "Kentucky" Oberst is right tackle on the football team, also the premier javelin thrower of the track squad.

In an active way, Oberst is doing big things for Notre Dame. More important, however, to the future success of his college is his job as athletic director of St. Edward's Hall, the home of one hundred lads who range from the ages of five to 12. These boys are the future stars of Notre Dame.

From the time these youngsters are able to throw a baseball or kick a football, the Notre Dame system is drilled into them by the director in charge. This is Oberst's third year in charge of athletics among the juveniles at Notre

Dame and his teams have yet to lose a game in basketball, football and baseball. Explaining his success, Oberst says: "I like the little shavers and try to make them work for me like the gang of big fellows work for Rockne. I have discovered that if they like you, they'll do anything you ask. Occasionally some youngster rebels, then I pretend that I am mad and it's only a short time before the shaver who refused to follow instructions in offering an apology. Boys are like men—you can't treat them all alike, but being square with them is the best way to get results."

Many of the present and past stars of Notre Dame got their early training at St. Edward's Hall.

ILLINOIS HAS HARD GAME FOR SATURDAY

Harmon's Men Put on Finishing Touches for Great Homecoming Battle—Students Show Lots of Pep

Enthusiasm is running high at Illinois College over the Homecoming football game with Eureka College on Saturday afternoon at 2 p. m.

At the weekly student meeting yesterday morning the lid was pried off and pep ran out in big gusts. Under leadership of Cheerleader Thomas O'Brien the students went into a series of yells which breathed defiance for the Eureka boys.

After the leaves had been raked from the campus during the annual leaf raking in the afternoon, the rakers staged a parade down town and back, carrying on their rakes placards reading, "Beat Eureka." When they returned to the campus they marched around the football field on the track and cheered the players who had been busy all afternoon putting on the finishing touches in preparation for the homecoming foe. The players plainly responded to the ovation and de-

termination to trounce the visiting team Saturday took a stronger hold on the Blue and White boys.

Then again, after the leaf rakers had disposed of the pumpkin pie and other good things prepared by the college girls the whole student body adjourned to the gymnasium where additional pep demonstration broke loose.

This afternoon the students will gather on the field to see the last practice and to demonstrate to the team that the students are 100 per cent behind it in their effort to crush the Eureka eleven Saturday afternoon.

Finally a parade down town will be staged early Saturday afternoon ending on the field just in time to get seated and see the kickoff.

Saturday will be a great day. The Illinois boys know they have a real job on their hands, but they believe they can deliver. Time will tell.

HURT'S BATTING

Harry Hooper says that playing sun fields has a serious effect on a player's batting average. He insists that constantly looking in to the glare of the sun cuts down his average at least 25 points every year.

BIG TEN OFFICIALS WILL HOLD MEETING

Football Schedules for 1924 Will be Made and Several Other Important Changes Are Expected to Come Up at This Time.

Chicago, Nov. 8.—Football schedules for the 1924 season will be drafted at a meeting of the coaches and athletic directors of the Western Conference to be held here November 30 and December 1, it was announced here tonight.

The faculty representatives of the "Big Ten" also will meet the same time to give consideration to several new rules governing the sport. As a result of the charges of professionalism filed against E. C. Gerber, star tackle of the Wisconsin eleven, it is probable that the faculty representatives will consider the adoption of a rule establishing October 1, as the latest date that ineligible charges may be considered.

Baseball and track coaches of the "Big Ten" have an agreement under which no cases of ineligibility may be taken up after the start of the season. Some of the football coaches favor a similar agreement for the gridiron season.

The athletic directors and faculty representatives will go into session November 30 and hold a joint meeting that night. The baseball, football and track schedules for the 1924 season will be drawn up at meetings the next day.

BADGERS DEPARTED FOR CHAMPAIGN

MADISON, Wis., Nov. 8.—Hoping for a victory over the undefeated Illinois team, dimmed somewhat by the loss of B. C. Gerber, who was declared ineligible by the athletic council yesterday, the Wisconsin football team prepared to entrain for Urbana late this afternoon. News of the council's action in ruling out Gerber reached the team yesterday when it was going through its last scrimmage.

The team scrimmaged last night under arc lights in an effort to plug up the holes made by shifts in the line this week. Ed Williams is the most likely candidate for the quarterback position against Illinois. Al Schneider regular quarter has been on the sick list.

Carl Miller, Benson, Paige and Hendrix are included in the list of possibilities for Gerber's place. The team as a whole is in fairly good condition, coaches reported.

PLAY NOTRE DAME

The Army and Princeton are gluttons for punishment. Notre Dame is again on the schedule of both schools for 1924. The game with Princeton will probably be played a week later. This will give the Tigers a better chance to get in shape, since the agreement of the so-called "Big Three" limits the training period in football.

FAST BALL BEST

Dazzy Vance has the best fast ball in the National League, say the leading batters of that organization. Lack of a change of pace is his outstanding fault. When the opposition starts hitting his speed he has little else to offer.

MIAMI BOOSTERS

Miami, Fla., boosters are trying to induce some major league club to train there this spring. When it comes to climate, Miami is all that could be desired. No club has trained there since Cincinnati did their stunts in 1920.

WAITS 'EM OUT

Eddie Collins of the Chicago White Sox waits out the pitcher to the count of three balls and two strikes more than any other player in either of the major leagues.

PRAISES RUTH

John McGraw says that if Babe Ruth was a member of the Phillies he would make close to 75 home runs in a season with the short right field fence to shoot at.

ILLINOIS FRESHMEN USE BADGER PLAYS

Zupke Has First Year Men Use Plays That Ryan Used Last Season at Dartmouth

URBANA, Ill., Nov. 8.—Illinois freshmen ran a bunch of new spread formations which Coach Bob Zupke suspects Jack Ryan may spring when Wisconsin plays here Saturday against the "varsity" today.

Among them were a number of plays used last season at Dartmouth where Ryan was assistant coach.

While Illinois students and players generally regret the barring of E. C. Gerber, Wisconsin tackle, for alleged professionalism, there is a deal of ugly feeling on the campus over baseless rumors that "Red" Grange, star Illini halfback, had played professional football.

Some of Grange's friends are said to be considering the advisability of filing suit against those responsible for the rumor which is understood to have originated in Madison. Wisconsin student leaders have wired to Illinois that the rumors were not started on the Badger campus.

COLLEGE STARS

Fifteen years ago Connie Mack was the only major league manager who would give a college player a trial. Today the college stars are eagerly sought by every major league club.

TRADE VEACH

In all probability Bobby Veach will be traded by Detroit during the winter. Veach doesn't seem to fit in with Cobb's policy, yet is too good trading material to be allowed to sit on the bench.

EASILY PEEVED
National League umpires say that if Tony Kauffman didn't get peeved every time he thought the umpire missed a strike he would be a 25 per cent better pitcher. The moment he starts to fuss with the umpire he loses much of his stuff. There are several other pitchers in both leagues with that failing.

There's a lot of genuine satisfaction derived from carrying quality luggage such as you buy at

CONCERN

The Ladies of the M. E. church served a chicken dinner and also supper in the church basement on election day.

B. A. Cratz and J. F. Ginder and Casper Blumling attended the county merchants' meeting at Jacksonville Wednesday afternoon, Nov. 7.

Born to Mr. and Mrs. James Sanders, Nov. 1, a daughter. Miss Mary Bayless of Jacksonville visited the family of Ora Hamm last week, returning to her home Saturday.

Mrs. Bessie Clement of Pike county, Ill., motored over to Concord Saturday and visited her parents, Mr. and Mrs. Sidney Smith who have moved to the Williamson restaurant west of the C. B. & D. depot.

The quarterly meeting of the M. E. church will be held Thursday afternoon, Nov. 8, at the church.

Rev. C. S. Ritchie and family were Beardsdown visitors Monday evening.

O. T. Hamm was a St. Louis business visitor the first of the week.

There will be a moving picture show given at the High school building Thursday evening, Nov. 8.

The attendance at the Williams sale last Friday was large. The Kings' Daughters Bible class of the Christian church served the lunch. They took in about \$67 and cleared \$33.

M. O. Smith will have his sale of live stock, grain and farming utensils on Dec. 5th at his farm east of Concord.

Mrs. Spencer Smith, Mrs. Austin Smith and family and M. O. Smith were Jacksonville business visitors Thursday.

NOTICE OF SPECIAL MEETING OF THE STOCKHOLDERS OF THE R. T. CASSELL CIGAR CO.

Notice is hereby given to the stockholders of the R. T. Cassell Cigar Company that the Board of Directors of said corporation has called a special meeting of the stockholders of said corporation, to be held at the office of the corporation at No. 6 West Side of the Public Square, in Jacksonville, Illinois, at two o'clock in the afternoon on Friday, November 30, 1923, to vote upon the proposition of the dissolution of said corporation.

Dated this 9th day of November A. D. 1923. Leah Cassell, Secretary.

EXECUTORS' NOTICE

Estate of Isom Seymour, deceased. The undersigned, having been appointed executors of the estate of Isom Seymour, late of the County of Morgan and State of Illinois, hereby give notice that they will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the January term, on the first Monday in January next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this first day of November A. D. 1923. Mary E. Seymour, Leon E. Seymour, Executors.

Wm. N. Hairgrove, Atty.

LOST—Female setter bird dog, white with liver color spots. Murrayville Phone D14. Reward. Will M. White. 11-4-5f

Market Report

By The Associated Press

STOCK PRICES MAKE A BRISK ADVANCE

FINANCIAL
Total stock sales 1,043,500 shares.
Twenty industrials averaged 90.76; net gain .22.
High 1923: 105.38; low 85.76.
Twenty railroads averaged 82.63; net gain .18.
High 1923: 80.51; low 79.53.

NEW YORK, Nov. 8.—Stock prices which have been climbing upward for more than a week made another brisk advance in today's broad and active market, leading industrials rising 8 to 11 points above their lows of last week to new high levels in the movement. The day's net gains in active issues ranged from 1 to 8 points.

Another series of favorable domestic developments furnished the impetus for the rise but much of the buying was reported as coming from trapped short interests who had been stubbornly contesting the advance. Commission houses reported an increased public interest altho the buying of small investors is still a relatively negligible factor.

High prices for copper, metal brass and rubber increased pig iron production, decreased oil production and imports, an optimistic survey of the packing industry by J. Ogden Armour and another series of excellent earnings statements, particularly by some of the automotive companies furnished ammunition for the campaign of speculators for the advance.

There were a few unfavorable developments such as another cut in mid-Continent Crude Oil prices and the further weakness of sterling exchange but these were largely ignored.

U. S. Steel closed 12 points higher at 94½ after having sold slightly above that figure. Baldwin, Studebaker and American can all of which reached new highs on the current movement closed 1½ to nearly 3½ points higher on the day.

The rails showed a tendency to lag in the early dealings but they developed strength toward the close with good buying making its appearance in New York Central, Wabash preferred A and Union Pacific. Northern Pacific and Illinois Central were heavy, the latter touching a new low.

The market for active U. S. Government bonds showed down somewhat and net changes were relatively unimportant.

Total sales (par value) \$9,882,000.

KANSAS CITY LIVESTOCK

KANSAS CITY, Mo., Nov. 8.—Cattle 6,000; beef steers generally steady mostly short feds selling from 7.50 to 8.50; bulk sales 5.50.

Hogs 12,000; strong to 10 higher; some bidding lower; top 7.10; bulk sales 6.65 to 7.10.

Sheep 2,000; insufficient to fully test market.

Indianapolis Livestock
INDIANAPOLIS, Ind., Nov. 8.—Hogs 13,000; steady; heavies 7.35 to 7.60; lights 7.10 to 7.25; top 7.60; pigs 5.00 to 6.50.

Cattle 600; steady; steers 5.00 to 10.00; beef cows 3.50 to 6.00; heifers 4.00 to 9.50; calves steady veals 7.00 to 11.00.

Sheep 500; steady; sheep 3.00 to 5.00; lambs 6.00 to 12.00.

ST. LOUIS CASH WHEAT

ST. LOUIS, Nov. 8.—Cash wheat No. 2 red 1.11 to 1.14; No. 3 red 1.10 to 1.11.

Corn No. 2 mixed 94; No. 5 yellow 83 to 85.

Oats No. 2 white 45; No. 3 white 44 to 46.

Close Wheat: Dec. 1.07½; May 1.11½.

Corn Dec. 80½ to 1; May 76½ to 77.

Oats Dec. 43½; May 45.

EAST ST. LOUIS, Ill., Nov. 8.—Horses and mules unchanged.

CORN SOARING BUT WHEAT ABOUT SAME

CHICAGO, Nov. 8.—Corn soared today to a new high price record for the season and brought about a rally in the wheat market. Wheat after showing a setback most of the time closed unsettled at the same as yesterday's finish to ½c higher; December 1.06½ to 1.06½ and May 1.11½ to 1.11½. Corn influenced by smallness of receipts finished ½ to 1½c up, oats with ½ to 1½c gain, and provisions varying from 5c decline to 12c advance.

Wheat started with a decided downward tendency as a result of lower quotations at Liverpool and of British plans for tariff action likely to hamper United States trade. The fact that wheat was expected from the measures which were proposed in British plans failed to prevent wheat traders here from putting a bearish construction on the tariff news. Besides predictions which were current that the United States visible supply total would show a liberal increase on Monday counted further as a handicap on bulls.

Throughout the day, however, the notable strength in the corn market operated to check wheat declines and just before the close was powerful enough to lift wheat prices to a level that averaged a little higher than was the case 24 hours previous.

Additional incentives to wheat buyers at the last came from New York stock market advance as well as from the new rise in cotton.

Bulls had things much their own way in the corn market and selling was confined chiefly to profit-taking on the part of holders. The government crop report as to corn turned out to be bearish, but many traders were expecting the opposite, and the government figures were unavailable until after the day's business was ended and December corn had touched 79½ a bushel. Oats like wheat were steadied by corn.

Provisions were firm in sympathy with corn.

CHICAGO LIVESTOCK

CHICAGO, Nov. 8.—Cattle receipts 10,000. Heavy weight steers slow about steady; fed yearlings, handy weights and beef heifers active strong to 15c higher; few loads short fed steers averaging 145 to 1550, 7.25 to 9.50; bulk mixed steers and yearlings 8.25 to 10.00; best steers 11.50; yearlings 11.75; some held higher at noon; few loads fresh western grass steers 5.50 to 7.25; western cows around 4.00; heifers 5.00 to 5.50 mostly; bulk canners 2.50 to 2.65; bulls slow; bulk heavy hogs 4.00 to 4.25; vealers 25 lower; bulk to packers 9.00 to 9.25; stockers and feeders easy; bulk 5.50 to 7.00.

Hogs receipts 50,000. Shortly steady. Few sales weak to 5c lower; bulk good choice 7.10 to 7.25; butchers 7.25 to 7.45; top 7.45; desirable 160 to 200 pound average mostly 7.00 to 7.20; 150 to 180 pound average largely 6.75 to 6.90; good and choice weighty killing pigs 5.75 to 6.25; estimated holdover 10,000.

Sheep receipts 15,000. Fat lambs strong to 15c higher spots; dull natives sheep higher feeding lambs steady top fed western lambs 3.00; bulk fat lambs 12.50 to 12.85; cull natives mostly 9.50 to 10.00, good and choice clipped lambs 12.00 to 12.25.

Miss Sophia Kerchoff, R. N., entered Passavant hospital as a patient Wednesday evening.

Style Without Extravagance

We started with that slogan and every day since that start we have been putting it to practical use. It means everything here. Women have found that out. To be stylishly dressed here does not require an extravagant outlay of dollars.

Harry W. Goldstein & Co.

31-33 South Side Square

Jacksonville's Finest Ladies' Apparel Establishment

31-33 South Side Square

Greatest Value Givers

In the short time that we have been here, women have already come to look to us for the greatest values in all ladies wearing apparel. It matters not if it is a pair of gloves or a luxurious coat; here you will always find the best for the price.

JOIN NOW IN THE TREMENDOUS SAVINGS

This is the event of events. It all came about through a fortunate buying stroke by our Mr. Goldstein while on tour of the market. A leading manufacturer of coats and dresses was considerably overstocked because of a backward season. Mr. Goldstein offered him a price for the big lot and it was accepted. It was indeed a low price. And, as is always customary with this store, the savings effected is being passed on to the customer.
